Article 1

Preamble

- 1.01 The parties to this Agreement acknowledge the objects and purposes of York University to be those set out in Article 4 of *The York University Act, 1965*: (a) the advancement of learning and the dissemination of knowledge; and (b) the intellectual, spiritual, social, moral, and physical development of its members, and the betterment of society. They further acknowledge that the fulfilment of these objects and purposes presupposes that the University community shall strive to apply the soundest intellectual judgements and values in its practices, in the treatment of its members, and in the nurture and care of its resources. The parties accept joint responsibility to promote and pursue these objectives within a general climate of freedom and responsibility, and to encourage actions that will justify mutual respect among all members of the University community.
- 1.02 The purpose of this Agreement is to promote and maintain, through specific contractual provisions, harmonious relationships between the parties in accord with these objectives and to provide means acceptable to both for the settlement of such differences as may from time to time arise between them.

Article 2

Recognition

Whereas the Association has been certified by the Ontario Labour Relations Board and the *Ontario Labour Relations Act* requires that a recognition clause in accordance with the certification be contained herein, the Employer recognizes the York University Faculty Association as the sole and exclusive bargaining agent of the members of the bargaining unit as defined and to the extent required by the Certificate of the Ontario Labour Relations Board, dated 18 October 1977, as amended by the parties in Appendix A.

ARTICLE 3

Non-Discrimination

- 3.01 The parties agree that there shall be no discrimination, harassment, interference, restriction, or coercion exercised or practised with respect to any employee in any matter by reason of race, creed, colour, age, sex, marital status, family relationship, number of dependents, nationality, ancestry, place of origin, place of residence, political or religious affiliation or beliefs, sexual preference or orientation, nonconforming personal behaviour, disability, nor by reason of membership or non-membership in the Association, nor previous or impending exclusion from the bargaining unit, nor lawful activity or lack of activity in the Association. “Non-conforming personal or social behaviour” shall not include failure to conform to the terms of this Agreement or to carry out the duties and responsibilities stipulated herein.
- 3.02 (a) The parties also agree, however, that no employee and no officer of the University shall take part in formal procedures, discussions, or vote with regard to the determination of the terms and conditions of employment which apply specifically to a member of his/her immediate family.
- (b) Where the Association apprehends that a conflict exists contrary to the provisions of (a), it may notify the Employer in writing. Upon receipt of such notice, the Employer shall indicate in writing within 10 days, its understanding of the situation and any measures it believes are necessary to ensure that 3.02(a) is respected. If the Association is not satisfied with the written response, it may refer the matter to the JCOAA for further consideration.

Harassment

- 3.03 The parties further acknowledge that any member of the York University community who uses the authority of his/her position or role within the university to harass others, sexually or otherwise, is committing an abuse of authority that seriously impairs the “climate of freedom and responsibility” provided for in Article 1.
- 3.04 The parties to this Agreement are committed to maintaining a working environment that is free from discrimination and harassment. Consequently the parties do not condone behaviour that is contrary to the *Ontario Human Rights Code* or Article 3. Further the parties do not condone reprisals, retaliation or threats of reprisals against employees who pursue their rights under this Agreement not to be discriminated against or harassed contrary to the *Ontario Human Rights Code* or Article 3.
- Behaviour which is contrary to the *Ontario Human Rights Code* and Article 3 may include:
- (a) Offensive words or actions by a person(s) who knows or ought reasonably to know that such words or actions demean, belittle and/or cause humiliation to an individual(s) on the basis of a prohibited ground.
- (b) Unwanted attention of a sexually oriented nature made by a person(s) who knows or ought reasonably to know that such attention is unwanted.
- (c) Clearly expressed or implied promises of reward for complying with sexually oriented requests or advances.
- (d) Clearly expressed or implied threats of reprisal, actual reprisals, or the denial of an opportunity which would otherwise be granted or available, for refusal to comply with a sexually oriented request or advance.

ARTICLE 4

Dues Check-Off

- 4.01 The Employer shall, once in each month during the life of this Agreement, deduct from the salary of each member of the bargaining unit, such fees, monthly dues, or assessments as may be authorized from time to time by the Association and certified in writing to the Employer by the Association.
- 4.02 The Employer shall remit the amounts deducted to the Association no later than fifteen (15) days after the deductions have been made, and shall inform the Association monthly of the names and ranks of employees from whose salaries deductions have been made, and the amounts so deducted from each employee's salary.
- 4.03 In the event that the Association receives dues hereunder on account of an employee who is excluded from the bargaining unit, or if on account of a member of the bargaining unit, but in excess of the amount required, the Association agrees to reimburse the employee for or credit him/her with, as the case may be, the amount involved. The Association shall indemnify and save harmless the Employer against any action arising out of the wrongful deductions of money for Association dues resulting from the Association's instructions.
- 4.04 The Employer agrees to indicate the amount of the Association's deductions on each employee's T-4 slip.

ARTICLE 5

- 5.01 The Employer shall not bargain with nor enter into any agreement with an employee or group of employees in the bargaining unit respecting terms and conditions of employment other than those designated by the Association, except where expressly provided for in this Agreement, or in attached Memoranda of Understanding. The Employer shall likewise, immediately upon the signing of this Agreement, provide in writing to the Association a list of the names and titles of those of its officers authorized to transact business with the Association. Each party shall maintain the currency of its list, and each party shall be required to recognize such representatives only when written notice has been received.
- 5.02 The Association shall have the right at any time to call upon the assistance of representatives of the Canadian Association of University Teachers (CAUT) and the Ontario Confederation of University Faculty Associations (OCUFA) when dealing or negotiating with the Employer. Such representatives and any other duly designated representatives or counsel shall have access to the University premises to consult with employees, Association officers, or the Employer. When such representatives deal directly with the Employer, the extent of their authority shall be clearly defined and communicated to the Employer by the Association.

6.01 There shall be no strikes or lock-outs so long as this Agreement continues to operate.

Essential Access During a Strike or Lock-out

6.02 In the event of a strike or lock-out, employees whose ongoing research requires access to University facilities in order to prevent irreparable damage to research (such as the loss of live and/or decomposable materials) shall be allowed access to the facilities usually associated with such research. Such employees shall indicate to their Deans in advance of any strike or lock-out their access requirements. Such indication to their Deans shall be given by employees in writing within ten (10) days of a notice from the Minister of Labour pursuant to Section 79, the *Ontario Labour Relations Act*.

The Subcommittee will address itself to establishing and maintaining communication between the parties regarding benefits and will discuss, among other matters, the form, frequency, modes of distribution and content of regular updates on claiming trends, plan details, benefits statements, a benefits magazine and ongoing issues regarding individual benefits claims. The Subcommittee will also, when necessary, discuss revising the Supplemental Benefits Program and benefits for members of the bargaining unit who have retired from the University. The Subcommittee shall meet at least once

every three (3) months and shall submit a summary report of its activities to the JCOAA once annually, between 1 February and 31 March.

- 7.07 In addition to the various joint bodies and joint meetings established under Article 7, the President of the University, with whatever senior administrative colleagues she/he chooses to designate, and the Executive Committee of the Association, shall meet together once in each of the Autumn and Winter terms, upon the request of either the President or the Association, to discuss matters of mutual interest and of concern to the University.

- (a) The DRC shall attempt to mediate between the parties and to fashion a settlement agreeable to both. Within fourteen (14) working days of being informed of a dispute, the DRC shall convene the parties to ascertain the nature of the dispute, and to discuss informally a settlement. If a settlement is not reached within fourteen (14) days of the hearing, the grieving party may proceed to arbitration as per Article 9.16.
 In fashioning a settlement, the DRC shall be guided by the principles in Articles 1.01 and 1.02. Where, pursuant to Article 9.08, the party or parties have elected to proceed directly to arbitration or pursuant to Articles 9.12(b) or 9.14(b) to arbitration directly from Stage One, the grieving party shall, within twenty-one (21) days, present the other party with written notification of its election. - 9.17 The parties hereby authorize and appoint the following persons to serve as arbitrators on a rotating basis for the duration of this Agreement: *Gail Brent, Owen Shime, Martin Teplitsky, Pamela Picher, Russell Goodfellow, Gerald Charney, and William Kaplan or others as agreed to by the parties.*
- 9.18 The foregoing arbitrators shall serve singly (as per Clause 9.19 below) or as Chairperson of a three (3) person board, according to the order in which they are listed. If an arbitrator is not available within a reasonable period of time, but in any case not to exceed two months, the next arbitrator in order shall be selected, and so on until one of the arbitrators is available. For the next arbitration thereafter, the arbitrator who was listed after the arbitrator last selected shall be next in sequence of selection. By mutual consent, however, any listed arbitrator may be selected out of turn. If, in any case, none of the arbitrators is available within a reasonable time, which shall not exceed six (6) weeks, an arbitrator outside the panel shall be chosen by mutual consent. If such agreement cannot be promptly reached, an arbitrator shall be appointed by the Minister of Labour for the Province of Ontario. It is agreed, however, that any of the above names may be struck from the list during periods when no arbitrations are pending by either party on one (1) month's notice, provided that the parties have agreed mutually upon a replacement. No person may be appointed an arbitrator who has been involved in an attempt to negotiate or settle the grievance in question.
- 9.19 By mutual agreement, the parties may decide that the grievance is to be decided by a single arbitrator, the arbitrator to be chosen in accordance with Clause 9.18.
- 9.20 In the case of three-person arbitration boards, the decision of the majority shall be the decision of the board, and where there is no majority decision, the decision of the Chairperson shall be the decision of the board. The decision of the arbitrator or the arbitration board shall be final and binding on all parties.
- 9.21 In the case of a three-person arbitration board, the Employer and the Association shall each bear the costs of the arbitrator appointed by it, and the parties shall share equally the costs of the Chairperson. In the case of a single arbitrator, the parties shall share equally the costs of the arbitrator.

LIMITS ON ARBITRATORS

- 9.22 Except as specifically limited by the terms of this Agreement, the arbitrator or arbitration board shall have jurisdiction to determine grievances, including any question as to whether a matter is arbitrable. With regard to matters of appointment, tenure/continuing appointment, transfer from one stream to another, or promotion, disagreements concerning solely the merits of an academic judgement shall not be grieved and arbitrated.
- The arbitrator or arbitration board shall have power to fashion the remedy he/she/it deems appropriate except insofar as such remedial powers are specifically limited by the terms of this Agreement. The arbitrator or arbitration board shall not have the power to change this Agreement, or to alter, modify, or amend any of its provisions. Nor shall the arbitrator or arbitration board have the power to give any decision inconsistent with the terms of this Agreement, provided he/she/it shall not be barred on the basis of a technical irregularity from hearing a grievance and rendering an award. Remedial powers of the arbitrator or arbitration board with respect

to appointment, tenure/continuing appointment, or promotion shall be limited as set out in Clauses 12.18, 12.19, 12.27, 13.03, 13.04, 13.08, and 13.09.

Time-Limits

9.23 The parties agree that the grievor shall be expected to act in accordance with the time-limits set out in this Article, and that failure by the grievor so to act shall result in a requirement for the grievor to explain at the subsequent stage of the procedure the reasons for failure to abide by the agreed time-limits.

Failure by the non-grieving party to respond in accordance with the time-limits set out for each of the stages of the grievance procedures shall entitle the grievor to carry the grievance to the next stage. The parties shall, however, have the right by mutual agreement in writing to extend the time-limits fixed in both the grievance and arbitration procedures.

In the case of appointments under (b), the Employer shall inform the employee and the Association, in writing, at the time of the appointment which will take the employee beyond the one (1) year limit, of the relevant circumstances requiring an appointment beyond the one (1) year limit.

- 12.09 Contractually limited appointments are not intended to serve as an alternate form of “probation” for a longer term appointment at York University, and shall therefore be governed by Clause 12.12, below, respecting movement among categories.

- 12.10 The Employer shall annually provide to the Association, through the Joint Committee on the Administration of the Agreement, a list of contractually limited employees, indicating date of appointment, anticipated date of termination, reasons for classification as contractually limited, as per Clause 12.06(a)-(d), above, and the special circumstances associated with any contractually limited faculty appointments of more than three (3) years’ duration, or with any contractually limited librarian appointments of more than one (1) year’s duration.

- 12.11 The total of the salary rates of that component of the bargaining unit holding contractually limited appointments shall not exceed 11.5% of the total of the salary rates of the bargaining unit as a whole.

Movement among Categories

FROM CONTRACTUALLY LIMITED TOPROBATIONARY/TENURED/CONTINUING APPOINTMENT

- 12.12 Should an employee holding a contractually limited appointment wish to apply for a position in the tenured/continuing appointment or probationary classification, his/her application shall be considered in the normal way along with all other applications for the position. Should such employee be appointed to the probationary or tenured/continuing appointment position, years of service toward sabbatical leave or consideration for tenure/continuing appointment shall be awarded on a year-for-year basis, to a maximum of four (4) years of such credit.

BETWEEN ALTERNATE STREAM AND PROFESSORIAL STREAM, AND BETWEEN FACULTY AND PROFESSIONAL LIBRARIAN POSITIONS

- 12.13 Normally, employees shall not transfer their appointments from one stream to another, or between faculty and professional librarian positions. Should an employee who applies be appointed to the position, he/she shall retain his/her years of service for purposes of Article 20 and his/her seniority for purposes of Article 24.

Notwithstanding the provision above that employees shall not normally transfer their appointments from one stream to another, in exceptional circumstances related to the professional contribution of an alternate stream employee, such an employee may wish to apply for a transfer of his/her appointment from the alternate stream to the professorial stream. In such circumstances, the employee may apply to the Dean/Principal for transfer. Such application shall show that the employee's professional contribution accords with the responsibilities of a professorial stream appointment. The Dean shall consult with the Chairperson(s) concerned and the employee and shall reply in writing, with a copy to the Association. In her/his reply, the Dean shall agree to recommend transfer to the President, or shall state reasons for denying the transfer, which reasons will include any issues concerning the employee's professional contribution as it accords with the professional responsibilities of a professorial stream employee. Employees who are transferred will be appointed at the rank of Assistant Professor and shall retain tenure, seniority, and years of service toward sabbatical leave and pension, and similar entitlements.

Appointments Selection

- 12.14 All York University appointments are made by the Board of Governors, which may make appointments only on the recommendation of the President, except in the case of appointment of the President.

CRITERIA AND PROCEDURES

- 12.15 The principal criterion for appointment to positions at York University is academic and professional excellence as generally understood in University practice and as embodied in principles which form part of this Agreement. Where appropriate, advertisements shall include the rank at which it is expected the appointment will be made. Whenever possible, specific qualifications for any particular position for which applications are invited shall be clearly identified.

The Employer agrees that when negotiating conditions for externally funded Chaired Professorships and other such positions to which new and current faculty may be appointed, it will ensure that, so far as is practicable, the terms negotiated with the funding body shall conform to the provisions of Article 12 of this Agreement.

ADVERTISING REQUIREMENTS

- 12.16 The availability of positions to which it is proposed to appoint probationary or tenured faculty, or probationary or continuing appointment librarians, shall normally be widely advertised prior to the selection of a candidate for appointment. Advertisements shall be posted on York's website at www.yorku.ca/acadjobs and in the relevant Canadian publications, *University Affairs* and *CAUT Bulletin*. Advertisements shall include the following statement:

"York University is an Affirmative Action Employer. The Affirmative Action Program can be found on York's website at www.yorku.ca/acadjobs or a copy can be obtained by calling the Affirmative Action office at 416-736-5713.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.”

- (a) The statements in 12.16 above concerning advertisements and affirmative action, other than the statement “however, Canadian citizens and Permanent Residents will be given priority” apply to all positions to which it is proposed to appoint Contractually Limited faculty/professional librarians, other than in exceptional circumstances, in cases of renewal/extension of an employee’s appointment, or where shortage of time makes it impracticable to carry out the normal advertising.

The Employer agrees to provide the Association and the Canadian Union of Public Employees Local 3903 with copies of all notifications of the availability of full-time faculty positions, and to post such notifications on bulletin boards in the relevant academic units of the University, concurrent with the submission of such notifications to external advertising media. Recruitment procedures shall be so designed as to ensure that reasonable care is taken to seek out, and give all due consideration to, Canadians or permanent residents who are one or more of the following: female; a member of a visible/racial minority; an aboriginal person; or a person with a disability. Advertising shall be carried out with this requirement in mind, and shall therefore be placed particularly in relevant Canadian publications, including *University Affairs* and the *CAUT Bulletin*.

WAIVING OF ADVERTISING AND SEARCH PROCEDURES

- (b) In the event that the establishment of a tenure stream position is approved and meets the criteria set out below, the hiring unit may recommend to the Dean, without advertising the position, the individual referred to in (iv) below. The criteria are as follows:
- (i) the position earlier was advertised as a probationary/tenured position;
 - (ii) the search was conducted for a probationary/tenured position;
 - (iii) a candidate was recommended for the probationary/tenured position;
 - (iv) prior to the making of the final appointment, the position was changed to a CLA for budgetary reasons and the recommended candidate accepted the CLA.

- 12.17 Recognizing the importance of care and thoroughness in the process of selection of candidates for appointment as probationary or tenured faculty, the Employer agrees to make available, as early as possible, the financial data determining whether or not candidates may be sought for faculty positions. Every effort shall be made to supply financial data sufficiently early for the selection procedures of the unit in question to be implemented.

When fiscal data are available too late to permit timely appointment decisions to be made in accordance with normal appointment procedures, selection procedures shall normally be implemented with a view to making the appointment in the subsequent year, if the appointment is to be in the probationary or tenured classification.

COLLEGIAL PROCEDURES – FACULTY

- 12.18 All recommendations for appointment of faculty members are made in writing to the President by the Dean/Principal. The Dean/Principal shall, at the same time as she/he, informs the President, provide a Notice of Recommendation to the Chair of the department, or in Faculties/Colleges where there are no departments, to the chair of the appointments committee, and to the Association. Deans shall submit to the Joint Affirmative Action Committee the names of candidates on the short list including any self-identification information provided to the Dean by the unit with the short list. The parties to the Agreement acknowledge the importance of collegial assessment in the process of evaluating candidates for appointment to the full-time faculty.

Allegations of violation of procedural requirements may be grieved and arbitrated. Where such procedures have been formally established by an academic unit(s), or are hereafter amended or established by the mutual agreement of the parties to the Agreement, these shall be adhered to in all but exceptional circumstances as indicated in 12.18(c). If an appointment is to be made which entails appointment to more than one unit, the procedures to be utilized shall be determined and set out in advance prior to the commencement of appointment procedures.

In exceptional cases, a Dean/Principal may wish to recommend to the President an appointment at a rank other than the one specified in the recommendation received from the academic unit(s) in question. The Dean/Principal shall normally consult with the chair(s) of the academic unit(s) [or in Faculties where there are no departments, the Dean/Principal shall consult with chair(s) of the appointment committee], and confirm his/her intentions in writing to the chair(s) and to the Association prior to recommending the

In such cases the Dean/Principal shall indicate in writing to the academic unit(s) and the Association the exceptional circumstances occasioning the departure from established practice. The Dean's/Principal's decision shall be subject to the grievance and arbitration procedures established by this Agreement, for the purpose of determining whether the Dean's/Principal's assessment of the circumstances as exceptional was justified.
- (d) The parties to the Agreement agree to process such grievances dealing with exceptional circumstances, as outlined in (b) and (c), as expeditiously as possible. If a grievance is initiated under (c)(i) and/or (c)(ii), by the academic unit(s), the Employer undertakes not to make an appointment to the position unless the grievance has been resolved in favour of the Dean's/Principal's position.
- (e) In determining grievances on matters of appointments, the arbitrator or arbitration board shall have the powers set out in Clause 9.22, except that he/she/it shall not have the power to remove an incumbent, to direct the appointment of a specific individual, or to alter the rank at which an appointment has been recommended or made.
- (f) These procedures and arbitral jurisdiction do not apply to cases of appointment to the faculty of individuals simultaneously being appointed to positions outside the bargaining unit (e.g., Deans).

- (f) These procedures and arbitral jurisdiction do not apply to cases of appointment as professional librarians of individuals simultaneously being appointed to positions outside the bargaining unit (e.g., University Librarian).

AFFIRMATIVE ACTION

Units shall send self-identification forms with the letter acknowledging a candidate's application and inviting him/her to self identify (the self-identification form is available at <http://www.yorku.ca/acadjobs/index.htm>). (d) In those instances where a unit determines that Article 12.21 interferes with specific affirmative action programs relevant to its area and outlined in its academic plans, a unit may apply to the Joint Affirmative Action Committee for support for specific hiring goals which might appear to contravene the specifics of Article 12.21 but which, in fact, support its underlying intention. Such requests must be approved by the Vice-President Academic or designate prior to the position being advertised.

12.24 The Joint Committee on the Affirmative Action shall organize workshops to inform unit chairs, Affirmative Action Representatives, all members of hiring committees, and members of tenure and promotion committees on Collective Agreement provisions, principles, objectives, recent history and best practices with respect to employment equity, including in particular the recruitment of qualified members of visible/racial minorities, aboriginal people, and persons with disabilities. 12.27 The parties acknowledge the importance of collegial participation in the selection of individuals for appointment to academic-administrative and librarian-administrative positions.

(a) (i) Employees shall be appointed to administrative positions within the bargaining unit by the Board of Governors only upon the recommendation of the President. Where a unit has established fair and equitable procedures for the appointment of a Chairperson or where such procedures shall hereafter be amended or established by mutual agreement of the parties, these shall be adhered to in all but exceptional cases as indicated in 12.27(a)(ii). In such cases the Dean/Principal/University Librarian shall indicate in writing to the unit the exceptional circumstances occasioning the departure from established practice. If the unit does not accept the Dean's/Principal's/University Librarian's reasons for a departure from established practice, it may, if it does so within three (3) weeks of the date of receipt of the Dean's/Principal's/University Librarian's statement, refer the matter to the grievance and arbitration procedure, for the purpose of determining whether the Dean's/Principal's/University Librarian's assessment of the circumstances as exceptional is justified. The parties agree to process such grievances as expeditiously as possible, and the Employer undertakes not to make an appointment under the altered procedures until the grievance has been resolved and unless the grievance is resolved in favour of the Dean's/Principal's/University Librarian's position.

(iii) In determining grievances on matters of appointments as set out above, the arbitrator or arbitration board shall have the powers set out in clause 9.22, except that he/she/it shall not have the power to remove an incumbent or to direct the appointment of a specific individual.

- 13.09 Any alteration of procedures in a particular case necessitated by an arbitrator's decision to quash a decision on grounds of discrimination or violation of academic freedom shall be subject to approval by the parties.

ARTICLE 14

Retirement

Preamble

The Clauses of Article 14, which govern the retirement of full-time faculty and professional librarian employees, are premised on the principle that the timing of an individual's retirement from full-time responsibilities at the University, and the assumption of any part-time responsibilities following retirement from full-time duties, shall in the normal case be influenced primarily by the wishes of the individual.

Note: Faculty who retired under the Article 14.02(d) provisions of predecessor Collective Agreements will be entitled to the enriched rate of \$16,238 for any remaining courses which they are entitled to teach at the enriched rate as per the provisions of the relevant predecessor Collective Agreement.

General Conditions and Definitions

14.01 (a) "Retirement" means the voluntary termination of an individual's full-time status at York University at any time after that individual would, if a member of the York Pension Plan, be eligible to receive a pension from the York Pension Plan (i.e., anytime after attainment of age 55). Continuation in a part-time capacity, or as "professor emeritus" or "librarian emeritus" or "senior scholar" is not inconsistent with the use of the term "retirement".

(b) Normal retirement date shall be defined as 1 July coincident with or next following an employee's 65th birthday.

(c) Employees shall be eligible to retire from the University and (assuming that they have been members of the York Pension Plan) shall be eligible to receive a York Pension, at any time following attainment of age 55.

(d) The parties agree to establish a joint committee to study pension plan and retirement provisions to look at all aspects, including possible pension improvements, improving the minimum guarantee, full benefits for same-sex spouses, credit for years of service, and portability.

14.02 (a) Bargaining unit employees may retire effective 1 January or 1 July and will provide a minimum of nine (9) months written notice of the date on which they plan to retire. Retirements with less than nine (9) months advance notice in writing may be approved by the Dean, Principal or the University Librarian as appropriate and the Vice-President Academic.

Irrevocable Reduced-Load Status

(b) Bargaining unit employees who provide written irrevocable notice of their intention to retire on 1 July following attainment of age 55 may voluntarily elect irrevocable reduced-load status on the basis set out below:

Irrevocable workload reduction (with an equivalent teaching load reduction) for a maximum period of ten (10) years ending no later than 30 June in the year in which payment of pension is mandatory and corresponding salary rate reduction of up to 80% of normal load and normal salary, with the Employer contribution to Pension and salary based benefits to be at 100% of nominal base salary rate, and the Employer to contribute also the amount required to bring the employee's contributions up to 100% of full nominal rate. An employee with this status who elects a workload reduction and corresponding salary reduction of greater than 20% of normal load and normal salary in the first year may further reduce her/his load (with an equivalent teaching load reduction) in subsequent years to a minimum of 20% of normal load and normal salary on the giving of nine (9) months advance written notice, and with the written agreement of the Dean/Principal/University Librarian. Such agreement shall not be unreasonably denied and such reasonable denial will normally be based on budgetary reasons. For clarity, the irrevocable reduced-load can decline but cannot increase from any year to the next year (for example, Year 1 80%, Year 2 60%, and Year 3 40% would be permissible but Year 1 60%, Year 2 80%, and Year 3 40% would not be permissible or Year 1 and 2 80%, Year 3 60%, Year 4 40% and Year 5 20% would be permissible but Year 1 60%, Year 2 80%, Year 3 40%, Year 4 60%, Year 5 20% would not be permissible).

RETIREMENT FROM THE UNIVERSITY

(c) All employees who retire from the University shall be accorded the status of "continuing members of the University" pursuant to Article 14.08 and shall be entitled to all the benefits associated with that status.

- Retirement shall normally be followed by assumption of any of the following options:
- (i) No regular paid or unpaid responsibilities; such irregular non-teaching academic or service responsibilities as may be agreed between the “continuing member of the University” and the Employer;
 - (ii) A part-time teaching or professional librarian appointment (with associated scholarship responsibilities);
 - (iii) Designation as a “Senior Scholar”.
- (d) Employees who wish voluntarily to retire on a date no later than five (5) years from their normal retirement date shall be offered the opportunities below for a period of no more than six (6) years from the date they retire.

FACULTY

- (i) Faculty who retire no later than their normal retirement date shall be offered the opportunity to teach five (5) full courses to a maximum of two (2) courses per year on a part-time basis. This offer shall, in any year, be contingent upon sufficient enrolment in the assigned course. When an appointment which has been offered in writing is cancelled for reasons of insufficient enrolment in the course in question, and no reasonable and equivalent alternative position is found for the employee, he/she shall receive one-eighth of the salary for the position as severance pay.

Employees with this right shall provide their academic unit with nine (9) months’ notice preceding the date of commencement of teaching of their intention to teach or not teach in each year until their entitlement is exhausted.

Faculty members offered appointment on a part-time basis following retirement shall be offered the five (5) full courses at the salary rate of \$16,238.

- (ii) Faculty who retire following their normal retirement date will be offered the opportunity to teach on a part-time basis, according to the following schedule:

Age of Retirement	Total Number of Courses
66	5
67	5
68	4
69	4
70	3

LIBRARIANS

- (iii) Professional librarians who retire no later than their normal retirement date shall be offered the opportunity to fulfil professional librarian responsibilities on a part-time basis following retirement for up to five (5) one-third time appointments at the salary rate of one-fifth of the salary floor for Senior Librarian, or the part-time librarian rate, whichever is greater.
- (iv) Professional librarians who retire following their normal retirement date will be offered the opportunity to fulfil professional librarian responsibilities on a part-time basis, according to the following schedule:

Age of Retirement	Total Number of Opportunities
66	5
67	5
68	4
69	4
70	3

Notwithstanding the above, a maximum will be applied to any retired employee’s payments for part-time employment at York, such that the total remuneration for part-time employment plus the York Pension Plan payments for which he/she is eligible shall not exceed the full-time salary which would have been paid had he/she continued employment on a full-time basis.

Such employees shall, notwithstanding their formal status as part-time employees of the University, be permitted to use the title which they held at the time of their retirement.

Employees in this category will be considered to be in the YUFA bargaining unit. The Employer will provide a list of members teaching under 14.02(d) as soon as practicable after the official enrolment reporting dates.

14.02 (e) Faculty who have retired, who have an appointment in a Graduate Program, and who are eligible for principal supervision of masters theses and/or doctoral dissertations according to OCGS and FGS regulations and, if applicable, the Graduate Program regulations, may be reimbursed for such principal supervision at the rate of 1/6th the value of a Course Directorship at the prevailing CUPE 3903 Unit 2 rate for each year of each principal supervision (e.g., six (6) principal supervisions would equal the value of one (1) Course Directorship).

Retired faculty who are teaching up to five (5) courses at the enriched rate of \$16,238 as per Article 14.02(d) may be reimbursed for such principal supervision at 1/6th of the enriched rate of \$16,238 – such principal supervisions will be applied against the teaching of up to five (5) courses at the enriched rate (e.g., the faculty member could have six (6) principal supervisions and teach one (1) course in year 1, six (6) principal supervisions and teach one (1) course in year 2, and teach one (1) course in year 3 and thereby exhaust the five (5) courses at the enriched rate).

The remaining three (3) courses under Article 14.02(d) of the 2003-2006 Collective Agreement taught at the prevailing CUPE 3903 Unit 2 Course Director rate will similarly be reduced per each principal supervision (e.g., after exhausting the five (5) courses at the enriched rate, a faculty member may have six (6) principal supervisions and teach two (2) courses thereby exhausting the remaining three (3) courses at the CUPE 3903 Unit 2 Course Director Rate).

ELIGIBILITY

14.03 To be eligible for options (a), (b), (c), (d) or (e) as defined in Article 14.02 (above), an employee shall hold tenured/continuing appointment status and have normally held his/her appointment at York for at least five years of active service (i.e., including sabbatical, but not LOAWOP), prior to the commencement of the selected option, or normal retirement date, whichever date occurs first.

SENIOR SCHOLARS/PROFESSOR EMERITUS

14.04 Employees who retire from the University shall carry the “emeritus” title appropriate to their rank, and may by notification to the Dean and Associate Vice-President (Research) elect designation also as “Senior Scholar”. In addition to entitlement of “continuing members of the University”, “Senior Scholars” shall be entitled to:

- (a) use of an office on a dedicated or shared basis, depending upon availability;
- (b) access to secretarial services, subject to availability;
- (c) laboratory/studio space, subject to availability;
- (d) computer time, subject to availability;
- (e) a Professional Expenses Reimbursement at the same rate as active employees for reimbursement of expenses incurred in pursuing professional scholarship, until and including the sixth year after normal retirement date.

The entitlement in (a)-(d) shall be annually reviewable by the Dean and Associate Vice-President with respect to their availability. The parties agree to investigate, through the JCOAA, the most appropriate means of establishing what priority “Senior Scholars” shall have, in comparison with others in the University, for the allocation of facilities which are to be provided subject to availability.

Senior Scholars are eligible to apply for conference travel funds on the same basis as full-time faculty.

Special Conditions

SABBATICALS

14.05 (a) (i) Employees taking their last sabbatical leave within the last five (5) years before their normal retirement date as defined in the York Pension Plan and choosing to take that sabbatical leave for one (1) full year, shall be entitled to receive Pension Plan contributions by the Employer based on their full academic base salary, rather than their actual sabbatical salary, if they elect to make their own Pension contributions on the basis of the full academic base salary. When contributions are made on the basis of the full academic base salary rate, that salary shall be used in the Pension Plan’s computation of the individual’s average of five (5) highest years of earnings.

(ii) For employees who retire on or after 1 August 1996, there will be no entitlement to payments in respect of accrued sabbatical credits.

(iii) An employee who will have accumulated three (3) to five (5) years of credit towards a sabbatical leave as of his/her normal retirement date will be entitled to take a six-month sabbatical at 80% of his/her academic base salary or one (1) course-release at 100% academic base salary, in the academic year immediately preceding his/her normal retirement date.

An employee who will have accumulated six (6) or more years of credit towards a sabbatical leave as of his/her normal retirement date will be entitled to take a one (1) year sabbatical at 80% of his/her academic base salary, in the academic year immediately preceding his/her normal retirement date, or a six (6) month sabbatical at 100% of his/her academic base salary, in the academic year immediately preceding his/her normal retirement date.

ELIGIBILITY FOR SALARY INCREMENTS

(b) An employee who continues on full-time or full-time/reduced-load basis past normal retirement date shall be eligible for general adjustment increments to his/her annual salary, as negotiated by YUFA, and for any merit increments, and Progress-through-the-Ranks increments.

IMPLICATIONS FOR LONG-TERM DISABILITY INSURANCE

(c) The Employer agrees to extend LTSCP coverage for employees continuing full-time or full-time reduced load past normal retirement date until he/she reaches the age at which receipt of pension payments becomes mandatory.

Retirement Planning Centre

14.06 The parties agree to establish the budget for the Retirement Planning Centre at \$97,383 including salary and benefits, and that the Association will contribute ten (10) percent of the Centre's budget in 1992/93, in order to fund the activities of the Retirement Planning Centre for University employees. The Centre shall be administered by an advisory board consisting of representatives from the Employer and various employee groups. Concerning the advisory board, the parties agree:

- (a) that the Association shall have the right to name at least two representatives;
- (b) that the Association shall have representation at least equal to that of the Employer;
- (c) that at least 50% of the membership of the advisory board shall be representatives of unionized employee groups; and
- (d) at least one (1) appointee of the Association and one (1) appointee of the Employer shall be York retirees or employees within five (5) years of achieving normal retirement date.

The services of the Centre shall include, but not be limited to, pension and financial consultation, the provision of bibliographic materials, information and advice on retirement options, and programmes on retirement planning.

Any funds not expended from the monies available to the Centre in a given year shall be carried forward to the subsequent year and made available for the purposes of the Centre.

14.07 The Employer agrees to provide funds sufficient to ensure that employees eligible to retire will have made available to them, through the Retirement Planning Centre, individual financial counselling, to a maximum cumulative expense of \$850 per employee.

Continuing Members

14.08 (a) Subsequent to their retirement, former employees shall be designated as "continuing members of York University" and of their respective Faculties (Libraries), and shall be accorded continuation of:

- (i) faculty library privileges;
 - (ii) University affiliation for external research grant application purposes.
- (b) "Continuing members" of the University, as defined above, shall be eligible for:
- (i) free athletic memberships;
 - (ii) limited extended health care and dental plan coverage (Appendix F).

The Employer agrees to continue the YUFA retirees' benefits coverage for the term of the Collective Agreement, provided that the total available funding for the program, including the Employer's annual contribution of \$700,000 and the premiums paid by retirees, is sufficient to cover the costs of the program. The parties

agree to discuss benefit issues for retirees in the Joint Committee on the Administration of the Agreement from time to time.

The parties shall continue to monitor the available balance of the retirees' benefits program funding against expenditures charged to it. The Employer shall provide the Association with regular cost projections. Should such projections establish that expenditures will significantly exceed the available funding, the Joint Subcommittee on Benefits will meet to discuss how the retirees' benefits program can be adjusted to keep the expenditures within the funds available. The parties reserve the right to reduce the coverage to a level consistent with the funding available for the program. Any significant amendments to the coverage shall be announced to retired employees no later than four (4) months prior to its implementation.

(c) Where a child of a faculty member was dependent (as defined in Article 26.12) at the time of the faculty member's retirement, that child is eligible for tuition waiver at the domestic tuition rate provided that the child commences and continues in a degree programme at York University prior to attaining twenty-one (21) years of age.

The spouse of a faculty member at the time of that faculty member's retirement is eligible for tuition waiver (at the domestic tuition rate) unless the spouse becomes the spouse of another.

(d) Within ninety (90) days of signing the 2003-2006 Collective Agreement, the Association shall receive the full text of the benefit plan provisions concerning existing retiree benefits. Further, in the event of any subsequent changes to the retiree benefits plan agreed to by the parties, the Employer will forward to the Association within sixty (60) days an addendum to the full text of the benefit plan provisions concerning retiree benefits and will facilitate the provision to the Association of a revised full text of the benefit plan provisions as expeditiously as practicable.

Phased In and Early Retirement Options

14.09 (a) *Definitions:* "Voluntary separation" is defined as the resignation of an employee in return for a severance payment by the Employer to the employee.

"Severance payment" may include, but is not restricted to, a monetary payment, leaves of absence on a paid and/or unpaid basis, medical and pension benefit arrangements.

(b) The Employer undertakes to make known to Association bargaining unit members that voluntary separation agreements may be entered into provided the Employer and the employee reach agreement as to the terms of such a voluntary separation. Further, the Employer agrees to consider, with an individual employee, the possibilities for voluntary separation of that employee from his/her employment at York University. Subject to paragraph (c), below, it is understood that the Employer and the employee each have the discretion to refuse to agree to any particular voluntary separation agreement proposal.

(c) An employee with tenure/continuing appointment who retires from the University between the age of X (X = 60, 61 ... 65) and normal retirement date shall receive as financial assistance in his/her retirement from the University an amount equal to:

$$\begin{aligned} & \textit{The average academic base salary rate} \\ & \textit{for bargaining unit members of age X} \\ & \textit{in his/her stream in the academic year} \\ & \textit{immediately preceding retirement,} \\ & \textit{TIMES} \\ & \textit{the number of years and part years*} \\ & \textit{(e.g., one (1) year and six (6) months equals 1.5)} \\ & \textit{remaining from time of retirement} \\ & \textit{to normal retirement date,} \\ & \textit{DIVIDED BY} \\ & \textit{5.} \end{aligned}$$

*Note that the number of years and part years remaining until the normal retirement date for the purpose of this Article will be calculated in terms of a 1 July or 1 January retirement date, i.e., the number of years remaining until the normal retirement date will be calculated in whole and half years. If an employee fails to provide a minimum of nine (9) months' written notice of the date on which she/he plans to retire early as required by Article 14.02(a) the employee's number of years and part years for the purposes of the formula above will be reduced by six (6) months' (e.g., if an employee retiring 1 July with two (2) years remaining until the normal retirement date fails to provide nine (9) months' notice, his/her "number of years and part years" will be 1.5 rather than 2 for the purposes of the formula).

To be eligible for such payment, the employee must:

(i) hold a tenured/continuing appointment;

(ii) have active service at York University, including sabbatical but not LOAWOP, of at least twice the number of years remaining from the time of retirement to normal retirement date, to a maximum of eight (8) such years.

These sums shall be paid to the employee in whatever form the employee designates and is acceptable under the regulations of Canada Revenue Agency. Financial counselling will be available to the employee, pursuant to Article 14.07.

Irrevocable Reduced Load and Employees Who Had Low Projected Pensions

- 14.10 Employees who had low projected pensions as defined in Article 14.01(b) of the 2003-2006 Collective Agreement and who elected to move to irrevocable reduced-load status under that Article on or before 1 July 2006 and who are still on irrevocable reduced-load status will be offered a one time opportunity to decide if they wish to return to full-load status effective 1 July 2007.

ARTICLE 15
Dismissal For Cause

Definitions

- 15.01 “Dismissal” means the termination of an appointment by the Employer without the consent of the employee, before the end of the appointment period, and shall be only for adequate cause. Neither the non-renewal of a contractually limited appointment or a probationary appointment, nor the decision not to grant tenure/continuing appointment, nor lay-off for reason of financial necessity, nor the termination of an appointment for the purpose of retirement, constitutes dismissal.
- 15.02 “Adequate cause” for dismissal shall be predicated upon misdeeds that are grave and unusual and that directly render an employee unfit to discharge his or her professional responsibilities as defined by this Agreement. Such misdeeds shall not include conduct properly characterized as the exercise of freedom of speech, association, or belief, or non-conforming personal or social behaviour. “Non-conforming personal or social behaviour” shall not include failure to conform to the terms of this Agreement or to carry out the duties and responsibilities stipulated herein.
- 15.03 Adequate cause constituting unfitness shall include and be limited to:
- (a) failure to discharge professional responsibilities as defined by this Agreement either through (i) incompetence, or (ii) persistent neglect, including persistent neglect of duty to students or scholarly/professional pursuits;
 - (b) gross misconduct leading to the significant and persistent abridgement of the academic freedom of other members of the University community;
 - (c) gross professional misconduct;
 - (d) gross misconduct constituting a direct and grave violation of the personal safety of another member or members of the University community.
- 15.04 Physical or emotional inability to carry out reasonable duties shall be treated separately from dismissal cases. A person so afflicted shall be granted a leave in some form, not normally to exceed four (4) years, at the end of which period the Employer may terminate the appointment if the employee does not return to his/her normal duties.

Procedures

- 15.05 The President shall initiate dismissal procedures by notifying the employee in writing to meet with him/her in the presence of the Dean of the employee’s Faculty or the University Librarian and the employee’s Chairperson (where applicable), no earlier than seven (7) days and no later than fourteen (14) days after such notification. Such notification shall include precise reference to all the pertinent information in this Agreement and in any other documents of the University relevant to charges germane to dismissal for cause. In this and in all further proceedings, the affected employee shall be permitted to be accompanied by an adviser of his/her choice. The Association shall also have the right to be present at such meetings and shall be given reasonable notice. An attempt shall be made at this initial meeting to resolve the matter in a manner satisfactory to all concerned.
- 15.06 If the employee fails to appear at the meeting provided for in clause 15.05, or if no satisfactory resolution is reached at the meeting, and if the President chooses to pursue the matter, the President shall inform the employee in writing of the charges against him/her, by internal receipted mail or by external registered mail with acknowledgement of receipt, no later than twenty-one (21) days after the meeting, in sufficient detail to allow the employee to prepare his/her defence.
- Failure of the President to inform the employee of the charges against him/her within the designated time period shall result in the termination of the dismissal proceedings. If proceedings are terminated at this or subsequent stages of the procedures, the Employer shall not re-institute dismissal proceedings based upon the same specific misdeeds and circumstances.
- 15.07 If the employee wishes to contest his/her dismissal, he/she shall so indicate to the President in writing within fourteen (14) days of the receipt of the written charges. Failure of the employee to resign or to contest his/her dismissal within the designated time-period shall result in the application of the special arbitration procedures provided for in clause 15.10 below.

- 15.08 Within fourteen (14) days after the employee has indicated in writing a wish to contest his/her dismissal, the President or designate and the employee or designate shall meet to name jointly an arbitration board comprising three (3) persons from outside York University, whose expenses shall be shared by the parties to this Agreement.
- 15.09 In the event that the President or designate and the employee or designate cannot agree upon the membership of the arbitration board, they shall each name one person to the board, and the two (2) persons so named shall select a third, who shall be the chairperson of the board. All three (3) persons shall be from outside York University. Each of the members of the board shall be provided with a copy of this procedure upon appointment to the board.
- 15.10 In the event that an employee fails to comply with or take part in the provisions established in clauses 15.08 and 15.09, the arbitration board shall consist of a single arbitrator appointed from the arbitrators' panel according to the procedures established for the selection of single arbitrators or chairpersons of arbitrations boards, as provided for in Article 9.
- 15.11 Having written to the employee informing him/her of the charges, the President may, by written notice for stated cause, relieve the employee of some or all of his/her University duties until the arbitration board has made its decision or until such earlier time as the President may deem appropriate. The stated cause must involve an immediate threat to the academic functioning of the University or to any member of the University. Salary and benefits shall continue throughout the period of such suspension.
- 15.12 The arbitration board shall convene as promptly as possible following its constitution, and shall attempt to conclude its proceedings and render its decision as expeditiously as possible. Subject to the provisions of the *Ontario Labour Relations Act*, the arbitration board shall have the right to establish its own procedures, and to require each party to make full disclosure of material facts and documents which the board deems relevant. In any event, the board shall:
- (a) hold open hearings;
 - (b) notify the President or designate, the employee, and the Association of the time and place at which it intends to hold its hearings;
 - (c) afford the President or designate and the employee the right to appear in person, with or without counsel or other adviser(s);
 - (d) require the employee and the President or designate each to indicate the nature of the allegations they intend to make, in order to enable the other a fair opportunity to make a full answer.
- 15.13 The board shall issue a written decision which contains its findings of fact, reasons, and conclusions as to whether there is adequacy of cause, and shall provide a copy to the employee, to the Association, and to the Employer, any of whom is at liberty to make the decision public. The decision of the board shall be final and binding on the employee and the Employer. In its award, the board shall declare:
- (a) that cause adequate for dismissal has not been shown and that any suspension in effect be rescinded, and it may rule that no record of such suspension show in the employee's personnel files; or
 - (b) that cause adequate for dismissal has been shown.
- 15.14 In the event that the board finds cause adequate for dismissal, and in the event that the board makes some ruling concerning the employee's salary and pension, the board shall not rule continuation of the employee's salary and the Employer's contributions to his/her pension beyond a maximum of one (1) year from the date of the board's decision. The board may make any additional recommendations that it deems just and equitable in the circumstances.
- 15.15 The Employer and the employee shall be responsible for the expenses of the member appointed to the arbitration board by the President or designate and the employee or designate, respectively. The Employer and the Association shall share equally the expenses of the chairperson of the board.

ARTICLE 16

Discipline

Discipline of employees by the Employer shall be only for just cause, taking into account if appropriate the principle of progressive discipline.

ARTICLE 17

Existing Practices

17.01 Subject to the provisions of this Agreement, the Employer undertakes to continue recognized existing practices with respect to terms and conditions of employment. The Employer may, however, with due notice and on reasonable grounds expressed in writing (with a copy to the Association where practicable), amend or discontinue such practices. The Employer's decision to do so shall be subject to the grievance and arbitration procedures established by this Agreement for the purpose of determining whether such amendment was justified.

The parties agree that the following procedures constitute notification of changes to existing practices:

- (a) In the matters covered by specific articles in the Collective Agreement (e.g., clause 18.09, Appendix A (B)(1)), changes in existing practices would be effected in accordance with the provisions of that specific article.
- (b) In matters not specifically covered by the Collective Agreement and affecting all, or potentially all, employees, changes in existing practices would be effected through written notification from the Office of the Vice-President Academic to YUFA through the YUFA Co-Chairperson, JCOAA. It is agreed that this paragraph refers to such matters as parking fees, athletic fees and library regulations.
- (c) In matters of a Faculty-wide nature, changes in existing practices, including policies, would be effected through written notification from the Dean or Associate Dean to the Office of the Vice-President Academic and then to YUFA through the YUFA Co-Chairperson, JCOAA. It is agreed that the grievance "time clock" in Article 17.01, would run only from the written notification of the change from the Office of the Vice-President Academic to YUFA through the YUFA Co-Chairperson, JCOAA.
- (d) It is further agreed that changes in existing practices at a Department level would be without prejudice to changes or lack of changes in existing practices in other Departments within a Faculty and would be effected through written notification from the Dean or Associate Dean to the Office of the Vice-President Academic and then to YUFA through the YUFA Co-Chairperson, JCOAA.
- (e)
 - (i) In matters not specifically covered by the Collective Agreement where changes in existing practices with respect to computing and information technology would have a significant impact on terms and conditions of employment and/or the professional responsibilities of all, or potentially all employees, changes in existing practices would be effected through written notification as per 17.01(b) above.
 - (ii) In matters of a Faculty-wide nature where technological change would have significant impact on terms and conditions of employment and/or professional responsibilities, changes in existing practices would be effected through written notification as per 17.01(c) above.
 - (iii) After receiving notification of a change in existing practices with respect to computing and information technology, JCOAA may refer the matter to the Joint Subcommittee on the Impact of Technology (JSIT) which shall normally have one month to discuss the proposed change(s) and to attempt to resolve any differences between the parties before the grievance time-clock starts to run.

Grievance Time Clock

The parties agree that after the notification stipulated in clause 17.01 has taken place, there will be an opportunity for JCOAA to discuss the proposed changes and attempt to resolve any differences between the parties before the grievance time-clock starts to run. This period of discussion preceding the start of the grievance time-table can be ended by either party through formal written notification to the other that the grievance "time clock" will now start to run. The Administration will not begin to implement any changes in existing practices until after this notification concerning the grievance time clock has been given.

University Governance

17.02 The parties acknowledge the existing rights, privileges, and responsibilities of employees to participate in the formulation and/or recommendation of policy within the University.

Board of Governors and President

17.03 The Association recognizes the rights, powers, and responsibilities of the Board of Governors to manage the University, as those rights, powers and responsibilities are set out in *The York University Act, 1965*, Sections 10, 13, 14, 16, 17, 18, 19, 20, 21, 22, 23, in respect of the powers of the President and the Board of Governors, provided that these powers shall be exercised in accordance with the provisions of this Agreement.

Senate

- 17.04 The parties agree that the provisions of this Agreement shall not operate so as to infringe the powers of Senate, as set out in *The York University Act, 1965*, Section 12, to which all members of the University are subject. It is further agreed that if any clause of this Agreement is found to infringe the powers of Senate as so set out, that clause will be null.

ARTICLE 18

Terms and Conditions of Employment

Length of the Employment Year

- 18.01 The employment year shall normally be from 1 July to the subsequent 30 June, and shall include eleven (11) months of professional obligations and responsibilities to the University (as defined in Article 11) and one (1) month's vacation, payment for which is included in the annual salary. Employees with appointments of less than twelve (12) months shall receive a portion of one (1) month's salary pro-rated according to the fraction which their appointments are of twelve (12) months.

Holidays

- 18.02 Employees are entitled to the following holidays: Canada Day, Civic Holiday, Labour Day, Thanksgiving Day, the day before Christmas, Christmas Day, Boxing Day, New Year's Day, Good Friday, Victoria Day, and any other day proclaimed as a holiday by the University or as a statutory holiday by federal or provincial authorities, and:
- (a) 21, 22, 27, 28, 29 December 2006;
 - (b) 21, 27, 28, 31 December 2007;
 - (c) add dates December 2008.

Payment of Salaries

- 18.03 Salaries and administrative stipends are paid to employees in twelve (12) equal installments, by payment to their bank, credit union, or trust account on the 25th day of each month. When the 25th falls on a Sunday or a Monday holiday, payment is made on the following day. When the 25th falls on a Saturday or a Friday holiday, payment is made on the previous day.

Outside Professional Activities

- 18.04 The nature of the professional competence of many employees affords opportunities for the exercise of that competence outside the employee's University duties, on both remunerative and non-remunerative bases. Recognizing that such outside professional activities can bring benefits to and enhance the reputation of the University and the capacities of employees, the Employer agrees that employees have the right to engage in part-time outside activities paid or unpaid, including participation in their Professional Associations and/or Learned Societies or professionally-related community service, provided that such activities do not interfere with their obligations, duties, and responsibilities to the University, and subject to the following conditions:
- (a) Employees shall, upon request, make available to their Dean/Principal/University Librarian or designate information on the scope of outside activities of a substantial or continuing nature. Further, between requests, employees shall report to their Dean/Principal/University Librarian the fact and scope of outside activities of a substantial or continuing nature.
 - (b) When an employee's outside activities involve the use of University facilities, supplies, or services, permission for the use of such facilities, supplies, or services, and agreement on appropriate reimbursement therefore shall be obtained in advance by the employee from his/her Dean/Principal/University Librarian or designate. Costs in excess of the agreed reimbursement shall be borne by the employee on the request of the Employer.

Travel While on University Business

- 18.05 The Employer will reimburse its employees the same as administrative staff for actual out-of-pocket travel expenses which are reasonable and appropriate to the type of University business to which they are related. Expenses will be reimbursed for University business for which specific prior authorization has been given.

Intra-University Transfers

- 18.06 The Employer agrees that any employee who desires to transfer to a vacancy for which he/she is qualified in another Department/Division, or Faculty, or the Library, shall be given first consideration for such a vacancy.

- 18.07 Any employee who transfers or is transferred to a position within the bargaining unit in another Department/Division, or Faculty, or the Library, of the University shall retain, as a minimum, salary, tenure/continuing appointment, rank, seniority, years of service toward sabbatical leave and pension, and all similar entitlement.

Workload of Faculty Members

- 18.08.1 The workload of faculty members shall, consistent with the stream concerned, include teaching, research/scholarly/creative activities, and service to the University. The Employer shall attempt to achieve an equitable distribution of workload among faculty members. The “normal workload” of a Faculty shall be defined by current practices, or as may hereafter be agreed to by the parties.

The “normal teaching load” component of work load or “normal work load” is recognized to constitute a complex of course direction (including duties attendant on mode of delivery), tutorial direction or advising or their equivalents, supervision of dissertations, theses, senior essays or their equivalents and directed reading courses. The number of full courses or full course equivalents constituting a “normal teaching load” shall be defined by current practices. In calculating full course equivalents, the factors named below shall be considered, in particular class size and student load.

Determination of the full course equivalents taught by a faculty member in any given year in satisfaction of the “normal teaching load” shall include consideration of:

- (a) Course direction and co-ordination;
- (b) Class sizes and total student load, with particular consideration given to large lecture courses;
- (c) Course levels;
- (d) The nature of the course (e.g., writing intensive or critical skills components, Foundations);
- (e) Mode of delivery;
- (f) Advising or equivalents;
- (g) Graduate supervision, including but not limited to supervision of dissertations, theses or equivalents; and course related responsibilities such as:
- (h) Tutorial, lab, or studio direction or equivalents;
- (i) Supervision of tutors, markers/graders or equivalents;
- (j) Marking/grading responsibilities or their equivalents;
- (k) Course preparation, including extraordinary course preparation such as new courses, “short notice”, preparation of courses delivered by alternate modes, and for courses which are cancelled;
- (l) Supervision of seniors’ essays or their equivalents;
- (m) Directed reading courses.

In the context of the teaching load of the unit as a whole, units shall, using normal collegial and consultative processes, specify which of the factors listed above are used to calculate full course or full course equivalents, and “normal teaching load”, and how the factors are applied. This may include a unit committee established specifically for this purpose.

Newly created or revised teaching load documents setting out the specifications described in the preceding paragraph using collegial processes, shall, upon approval of the Dean or Principal, be submitted to JCOAA for information. Following the ratification of this Collective Agreement, units shall provide updated teaching load documents.

The teaching load of each member of the unit and the unit as a whole shall be made available annually to each member of that unit by 15 March of the year in which the teaching loads are applicable.

Alterations of these specifications shall follow the procedure outlined above.

It is understood by the parties that any alteration of normal workload, including “normal teaching load” (including class size), shall be subject to any relevant Articles, including Articles 17, 18.09, and/or 18.13 of this Agreement, where one or more of those Articles is relevant.

- 18.08.2 As expeditiously as practicable following the ratification of the 2006-2009 Collective Agreement, those units with a “normal teaching load” of 3.0 FCEs per year and whose members do not receive other course release (e.g., a unit whose members routinely receive a 0.5 FCE reduction for membership in a graduate program) will form a Unit Workload Committee using normal collegial procedures for the purpose of considering ways of reducing the “normal teaching load” for probationary and tenured faculty in the unit to 2.5 FCEs per year. Such Committees will make recommendations to the Dean or Principal to reduce the “normal teaching load” for implementation beginning 1 May 2008. The recommendations will take into account and address the factors in Article 18.08.1 and the relationship between teaching load and research/scholarly/creative activity.

Changes shall be made to a unit’s “normal teaching load” on the approval of the Dean or the Principal in writing. If the Dean/Principal does not approve the Unit Workload Committee’s recommendations, the reasons will be indicated in writing with suggested changes.

In the event that differences remain between the Unit Workload Committee and the Dean/Principal, either the Unit Workload Committee and/or the Dean/Principal may request the assistance of the Vice-President Academic in achieving the objectives set out above.

This clause is not to be used to reduce the “normal teaching load” of a unit below 2.5 FCEs per year.

- 18.08.3 Normally, the structure, format and mode of delivery of courses shall be determined by the relevant unit(s) in conformity with the requirements of the curriculum as approved by Senate and with established practices.

For the purposes of Article 18, modes of delivery of instruction include correspondence courses, and courses delivered all or in part by technologically enhanced instruction, including, but not limited to, computer-mediated conferencing, teleconferencing and the Internet. Assignment of courses using alternate modes of delivery shall be consistent with the pedagogic and academic judgements and principles of the faculty member employee as to the appropriateness of the use of technology in the circumstances. Furthermore, it is recognized that not all courses are appropriate for alternate delivery. Normally, a faculty member will not be required to convert a course without his/her agreement. Disputes respecting these matters shall be submitted to JSIT or DRC for resolution.

The parties agree to refer issues respecting courses employing alternate modes of delivery, including appropriate class size, to JSIT, which may make recommendations to the parties and, where relevant, to the appropriate Senate committees.

In the case of Atkinson correspondence courses:

- (a) the parties agree to invite CUPE 3903 to participate in the deliberations of JSIT when it is considering issues respecting Atkinson correspondence courses;
- (b) the Administration will also request that CUPE 3903 agree to invite YUFA to participate in the joint (Employer/CUPE) review of Atkinson correspondence courses including such issues as course credit, preparation time, class size and workload;
- (c) in addition, the Administration will request that CUPE 3903 agree that YUFA will have intervenor status in the arbitration, if any, which may be filed by CUPE 3903 should the parties (Employer and CUPE) be unable to agree during the course of their review.

In keeping with the responsibilities for maintaining an environment for work, as outlined in Article 18.37, the Administration shall use all available means to provide an infrastructure, both human and material, to support technologies to enhance teaching and research activities. In fulfilling this responsibility, the Administration will give serious consideration to all reasonable recommendations from the JSIT respecting such matters.

Employees assigned to teach courses delivered by alternate modes, as defined above, shall be provided with all reasonable technological and human resources required to develop and to conduct the course. Employees shall be provided with necessary training in the use of required technology. Employees shall be notified in writing before such a course is assigned, of the resources available to them, and any travel requirements associated with the course.

For clarity, Articles 21 and 23 and other relevant provisions of this Agreement apply to courses delivered by alternate modes.

- 18.08.4 A faculty member will not normally be required to teach more than five (5) days in any week. A faculty member will not normally be required to teach over a period of time spanning more than ten (10) hours in any one (1) day. A faculty member will not normally be required to teach within eleven (11) hours following the end of his/her scheduled teaching on one (1) day and the beginning of his/her scheduled teaching on the following day. It is understood that a faculty member may voluntarily agree to teach other than as set out above.

- 18.08.5 The service component of normal workload is recognized as including contributions to the governance of the University and collegial academic and administrative activities. Service to the University is an important part of one's professional obligations and responsibilities.

Service includes, but is not limited to, the factors listed below:

- (a) participation on Senate and Subcommittees of Senate;
- (b) participation on Faculty, School or Departmental Councils and their Subcommittees;
- (c) participation in the Association and Subcommittees;
- (d) participation in joint YUFA/Administration committees and activities;
- (e) participation in the governance and activities of the Research Centres;
- (f) participation in such units as the Centre for the Support of Teaching, and advising Centres;
- (g) participation in deliberative and governance bodies of the Colleges;
- (h) holding of academic administrative positions, not mentioned above, as set out in Appendix P;
- (i) participation in unit or faculty level academic and administrative committees including but not limited to Executive, Academic Planning, Curriculum, Hiring, Affirmative Action, Program Review Committees, and Tenure and Promotion Committees;

- (j) University Advisory Committees and Task Forces;
- (k) Service to organizations outside the University which is of an administrative nature, and not part of an employee's research program, such as serving on review committees for awards, grants, and scholarships;
- (l) University related development activities.

Service may include both service of a routine administrative nature, as well as service which contributes to the academic goals and governance of an employee's unit and/or Faculty, the Association and the University as a whole. Consideration of service may distinguish between membership on and leadership of the various activities and committees. The time horizon used in considering service may exceed one (1) academic year.

- 18.09 An alteration by the Employer of the normal workload of a unit, or Faculty, including normal teaching load component of the workload shall not be unreasonable, and shall only be made with the agreement of the Joint Committee, after consultation with the unit or Faculty concerned. The agreement of the Joint Committee to such an alteration shall require agreement of a majority of the Association representatives. The reasons for the alteration shall be presented to the academic unit so affected, in writing, with a copy to the Association.

The parties recognize that class sizes are a pedagogical concern, and are normally determined by collegial decisions in conformity with established practices.

- 18.10 Within an academic unit, the Dean of the Faculty or designate, shall, with due notice, assign teaching duties to individual faculty members in the light of the individual's discipline and specialties, and consistent with the normal teaching load of the stream and the Faculty or Department in question, and its equitable (i.e., fair) distribution among members of the unit. Teaching duties shall include, but not be limited to, advising students and prospective students, and conducting scheduled classes. Adherence to the normal teaching load shall encompass necessary minor year-to-year fluctuations in an individual's teaching load, these fluctuations balancing out over time. An individual may, also, with the agreement of the Dean or designate, undertake more than a normal teaching load. The parties agree that the Dean will exercise his/her powers under this clause consistent with current practices.

- 18.11 In exceptional cases, the Dean or designate may increase or reduce the teaching load or service commitments of an individual faculty member in the light of the individual's research/scholarly/creative and service contributions. Any increase in the teaching load or service commitments of an individual shall be based on the individual's research/scholarly/creative and service contributions as assessed by the academic unit in question, or by procedures agreed to by the academic unit in question.

The reasons for any variations in the normal teaching or service load, and the exceptional circumstances therefore, shall be communicated in writing to the faculty member so affected, with a copy to the Association, and the decision shall be subject to the grievance and arbitration procedures established by this Agreement, for the purpose of determining whether such a variation was justified.

- 18.12 In the case of an increase in the normal teaching or service load without the consent of the individual, the individual shall be given reasonable notice in writing of the increase. In no such case may an exceptional increase in teaching or service load be made two (2) years in succession, and the same individual may not receive an exceptional increase in teaching load two (2) times in succession, nor may he/she receive an increase of more than one course above the normal load. Exceptional increases shall not be assigned in the sabbatical year or the year following sabbatical leave.

- 18.13 There shall be no increase to normal workload and teaching workload (including class size) unless the Committee named in 18.14 is activated and makes its report, which shall be due no later than 30 April 1994. Further, the parties agree that alterations in workload (including class size) in response to changing circumstances shall not be considered as establishing new workload norms.

- 18.14 The parties agree to establish a Joint Committee on Teaching Load and Class Size, composed of an equal number of representatives appointed by each party.

- (a) The Committee will study the issue of teaching loads, including class size.
- (b) The Administration agrees to provide the Committee with any information required to conduct its work in this regard.
- (c) The Committee will receive from academic units reports respecting teaching load, taking into consideration factors such as, but not limited to: availability of space, facilities, and resources; programmatic/curricular requirements; overall workload and teaching load of each faculty member; workload and teaching load of untenured faculty; complement; comparable data at other universities; such other concerns as it may wish to bring to the attention of the parties.
- (d) The Committee shall meet a minimum of four times per year.

- (e) The Administration agrees to inform the Committee of any relevant plans or intentions that might have an impact on teaching load, including class size.
- (f) The Committee will study and make recommendations in light of the Collective Agreement concerning (i) the appropriateness in particular instances of teaching load, including class size; (ii) notice, when within a month of the commencement of classes, enrolments exceed those planned; and (iii) credit for course cancellations, exceptional course preparation, and alternate forms of delivery. The Committee will include student load in its study of (i).

18.15 The Employer agrees to provide reductions in the normal teaching loads of employees holding academic administrative positions within the bargaining unit as set out in Appendix P, unless otherwise agreed to by an employee and his/her Dean/Principal/University Librarian or unless agreed to by the parties in the JCOAA. Changes agreed to in the JCOAA shall not take effect until the employee currently holding the academic administrative position completes the appointment.

The Employer further agrees to inform the Association annually of all academic administrative functions or tasks for which release time is provided.

Workload of Professional Librarians

- 18.16 (a) The normal work week for a professional librarian shall be thirty-five (35) hours per week, scheduled fairly and equitably during the operating hours of the Libraries.
A librarian will not normally be required to work more than one (1) evening per week or on consecutive weekends.
Librarians shall be entitled to request a flexible distribution of the thirty-five (35) hours per week for a specified period of time from the University Librarian/Dean, Faculty of Law or designate who shall consider accommodating such requests taking into account operational needs. Where a request for the flexible distribution of the thirty-five (35) hours per week is denied, the University Librarian/Dean, Faculty of Law shall set out in a written reply to the employee the reasons for the denial.
The workload of professional librarians shall, consistent with their specialties and qualifications, include public service, collections development, and bibliographic control. The workload of librarians shall, also consistent with a librarian's specialties and qualifications, include professional development, research and scholarship, and service to the University.
- (b) The University Librarian/Dean, Faculty of Law or designate shall be responsible for assigning in writing the general responsibilities of librarians in the light of the individual's specialties and qualifications, and in the light of the Libraries' and the University's needs and priorities and consistent with the normal work week of thirty-five (35) hours. The University Librarian/Dean, Faculty of Law or designate shall ensure that the assignment of duties and responsibilities is fair, equitable and reasonable. Within the components of public service, collections development and bibliographic control, responsibilities shall include working with colleagues, supervising non-professional staff, and providing services to Library users. The University Librarian/Dean, Faculty of Law or designate shall meet with each librarian once each year to review the assignment of responsibilities. If the responsibilities of a librarian on sabbatical or leave of more than one (1) month are assigned to another librarian, the written assignment of responsibilities shall be modified for the period of the assignment. An increase in librarian workload which is in response to changing circumstances shall not be unreasonable and shall not be considered as establishing new norms.
- (c) The workload for librarians shall be established with due regard for their research and scholarly responsibilities. Release time shall be made available, within the scheduling of the normal work week, so that librarians may pursue research and scholarly work. The librarian desiring release time shall make application through his/her departmental chairperson to the University Librarian/Dean, Faculty of Law. Such requests shall not be unduly denied.
- (d) In the assignment of workload the University Librarian/Dean, Faculty of Law or designate may reduce assigned responsibilities of a librarian in candidacy to enable the librarian to engage in professional development, research and scholarship.
- (e) A librarian shall be entitled to twenty (20) days during the eleven (11) months of professional obligations and responsibilities to the University to pursue professional development, research and scholarship. This entitlement shall be made available within the scheduling of the normal work week. In order to ensure the orderly carrying out of a librarians' responsibilities and the Libraries' responsibilities, a librarian shall inform his/her department head at least one (1) week in advance of when these days will be taken. Entitled days for professional development, research and scholarship may be accrued. Normally, no more than two (2) weeks of accrued entitlement may be taken in any four (4) week period.
- 18.17 The parties recognize the need for the Libraries and the professional librarians to maintain effective public services, collections development, bibliographic control in support of academic program, research and scholarly

pursuits, and therefore, the need to halt the erosion of the librarian complement. In pursuit of this objective, the parties have agreed to the Letter of Intent as per Appendix I.

Reassignment/Transfer

- 18.18 The assignment of responsibilities may require the permanent reassignment of a librarian from one department or branch of the Libraries to another. Normally such reassignment shall be effected by the University Librarian/Dean, Faculty of Law with the consent of the individual librarian and the chairpersons of the departments or branches involved. The parties recognize, however, that in exceptional circumstances, the effective management of the Libraries may require that librarians be reassigned without their consent.

In such cases, the University Librarian/Dean, Faculty of Law shall continue to take into account the specialties and qualifications of the librarian involved, shall effect such reassignment only after consultation with the individual librarian and chairpersons of the departments or branches involved, and shall give reasonable notice in writing to the persons concerned and the Association of the decision to reassign. The written notice shall state the reasons for the decision to reassign, and the exceptional circumstances that render it necessary. The University Librarian/Dean, Faculty of Law shall inform all librarians of the reassignment. Professional librarians who are permanently reassigned will retain continuing appointment, rank, seniority, salary, and the years of service toward sabbatical leave application, pension, and all similar entitlement.

Length of the Academic Year

- 18.19 Faculty shall be available for on-campus responsibilities from one (1) full week before classes commence in the session in which they are teaching until the consideration of grades by their Department or Faculty at the end of the appropriate session, and shall make themselves available, on reasonable notice, to address grade information requests after such Departmental/Faculty considerations, subject to clauses 18.20, 18.23, and 18.24, below.
- 18.20 The nature of the University's work is such that all faculty members share responsibility for the administration of the affairs of their respective Faculty and/or Departments, and for the year-round supervision of students. Thus all faculty members not formally granted leave may be required to assist in the carrying out of the affairs, responsibilities, and academic obligations of their Faculties and/or Departments throughout the calendar year.
- (a) In order to ensure the orderly carrying-out of a faculty member's duties and Faculty and/or Department responsibilities, faculty members shall inform their Dean or designate of their planned summer schedule, indicating the anticipated vacation period. Assignment of summer duties shall be equitably shared among members of the Faculty or Department.
- (b) Faculty members appointed to administrative duties shall inform their Dean or designate, or the Vice-President designated by the President, in advance of their one-month vacation period and any other planned absences from campus, and shall schedule such absences so as to ensure that their administrative responsibilities are performed in a manner satisfactory to the Dean or designate or Vice-President.
- 18.21 In order to ensure the orderly carrying out of a librarian's responsibilities and the Libraries' responsibilities, librarians shall inform the University Librarian/Dean, Faculty of Law or designate of their planned vacation periods.

Summer Teaching

- 18.22 A faculty member in the bargaining unit applying to teach in the Summer Session shall be given first consideration for appointment to one (1) full course, or the equivalent, within his/her area of expertise.
- 18.23 The Employer may, upon the giving of reasonable notice, assign teaching in the Summer Session to a faculty member without his/her consent, but the Employer shall normally exhaust the possibilities for staffing of summer courses through part-time appointments, overload appointments, or voluntary assignments, prior to the exercise of such right. The reasons for a compulsory summer teaching assignment shall be in terms of the needs of the University for effective scheduling of its curricular offerings, and shall be conveyed in writing to the faculty member by his/her Dean. For the purposes of this Agreement the Summer Session shall be construed as a term.
- 18.24 Compulsory summer teaching assignments shall be distributed among faculty members of the bargaining unit as equitably as possible, but, in any event, a faculty member may not be assigned summer teaching duties in more than one (1) full course or in two (2) consecutive summers. Summer teaching duties assigned compulsorily shall be balanced by a corresponding reduction in teaching load in the subsequent term or at a time to be agreed upon between the Dean/Principal/University Librarian and the individual. Normally, a faculty member will not be

required to teach in three (3) consecutive terms as the consequence of a compulsory summer teaching assignment. Except in extraordinary circumstances, a faculty member will not be required to teach for more than ten (10) consecutive months as the consequence of a compulsory summer teaching assignment. Except in extraordinary circumstances, a probationary employee shall not be required to teach in two (2) consecutive summers.

It is understood that a faculty member may voluntarily agree to teach other than as set out in Articles 18.23 and 18.24 above.

Reduced Load

- 18.25 Employees may apply to their Dean/University Librarian or designate for a reduced load for a specified period of time. If such a reduction is granted, such employees shall be designated as “full-time; reduced load” and shall remain members of the bargaining unit. Salary and the Employer’s contribution to salary-based fringe benefits will normally be reduced in proportion to the workload reduction, as will the credited years of service toward sabbatical leave and consideration for tenure.

Where an application for reduced load status of up to and including one-third of normal load is denied, the Dean/University Librarian shall set out in a written reply to the employee the reasons for the denial, which shall normally be in terms of the effective scheduling of a unit’s teaching/library programme or administrative duties (in the case of those employees listed in Appendix A, Section C).

- 18.26 An employee granted “full-time; reduced-load” status may, at his/her own expense, maintain his/her salary-based fringe benefits on a full-rate basis. Employees applying for such status may also apply for a continuation of the Employer’s contribution to salary-based fringe benefits on a full-rate basis, and the Employer may approve same, depending upon the nature of the reduction in load and the Employer’s judgement as to the degree to which it is in the interests of the University as well as the employee.

Note: Employees eligible for Reduced Load under clause 14.02(a) or (b) shall be treated according to the terms of that clause.

Restructuring and Redeployment

- 18.27 The parties recognize the importance of effective academic planning in maintaining the well-being of the University. In exercising its role in the academic planning process, in particular through its decisions concerning the disposition of the University’s resources, the Employer shall respect the role of Senate in academic matters and shall also make reasonable efforts to ensure that all planning proposals are in conformity with the provisions of this Agreement. Further, in conformity with the collegial role in academic planning, the Employer shall inform academic units as early as possible of any proposal that would affect them, and shall provide academic units with reasonable opportunity to participate in the planning process.

RESTRUCTURING

- 18.28 Before implementation, proposals for significant academic restructuring of Faculties, units, programs, and the use of redeployments shall be referred to the Joint Subcommittee on Long Range Planning.

REDEPLOYMENT OF FACULTY MEMBERS

- 18.29 The parties agree that effective use of the University’s resources, and the prevention of lay-offs for reason of financial necessity, require, *inter alia*, mechanisms for the redeployment of employees from one Faculty to another and/or one Department to another within a Faculty. Normally, such redeployment is effected with the consent of the individual employee and the Deans and Chairpersons of the Faculties and Departments involved. The parties recognize, however, that in exceptional circumstances the effective management of the University’s academic work may require that employees be transferred from their Faculty/Department of original appointment on either a short-term or a permanent basis without their consent. Such compulsory transfers shall be of two (2) kinds.

SHORT-TERM TRANSFER

- 18.30 Compulsory secondment of an employee to a unit other than the unit of his/her appointment, for a portion of his/her teaching duties, would normally be occasioned by:
- (a) efforts to implement a Senate approved decision establishing particular academic priorities or emphases among programmes/units or within programmes/units;

- (b) enrolment patterns which create serious imbalances in teaching loads of a kind which could be alleviated by transfers.

Secondment within a single Faculty

18.31 (a) (i) The secondment shall be made only after consultation among the Dean concerned, the Chairpersons concerned, and the employee. The Dean shall be accountable for ensuring that adequate consultation occurs in accordance with Article 18.28 and clause (c) below.

(ii) The Dean of the "home" unit shall confirm a decision about secondment in writing to the employee, with a copy to the Association, at least four (4) months prior to the date when the secondment shall take effect, for example, 1 March for secondments beginning 1 July.

Secondment involving more than one Faculty

(b) (i) The secondment shall be made by the Vice-President Academic or designate, only after consultation among the Deans concerned, the Chairperson(s) concerned, and the employee. The Vice-President shall be responsible for coordinating and facilitating the consultation process and shall be accountable for ensuring that adequate consultation occurs in accordance with Article 18.28 and clause (c) below.

(ii) The Dean of the "home" unit shall confirm a decision about secondment in writing to the employee, with a copy to the Association and the Vice-President Academic at least four (4) months prior to the date when the secondment shall take effect, for example, 1 March for secondments beginning 1 July.

(c) Without limiting the normal discretion of the Dean under this Article, the consultation referred to in 18.31(a) and (b) above shall include consideration of the implications of the secondment for both units and the employee with regard to:

- (i) the programmatic needs of both units;
- (ii) minimizing the impact on the academic life and processes of each unit; and
- (iii) minimizing of the disruption to the scholarly pursuits of the seconded employee.

(d) The written notice of the decision shall indicate:

- (i) the reasons requiring the secondment from the one unit to the other;
- (ii) the reasons for the selection of the particular individual for secondment;
- (iii) a statement of the results of the consultations that have taken place as required by (c) above,

such statement to itemize any provisions and/or accommodations agreed upon by the parties.

(e) The selection of a particular employee shall not be in an unreasonable manner.

PERMANENT TRANSFER

18.32 Compulsory permanent transfer, in which case the employee's unit of appointment is changed, would normally be occasioned by:

- (a) efforts to implement a Senate-approved decision establishing particular academic priorities or emphases among programmes/units or within programmes/units;
- (b) significant and long-term changes in enrolment patterns which create serious imbalances in teaching loads of a kind which could be alleviated by transfers.

Compulsory permanent redeployment will only occur after the Employer has considered other alternatives, including temporary transfer, and determined that they were not appropriate.

18.33 Permanent transfers shall be effected by the President or designate, only after consultation among the Dean(s) concerned, the Chairperson(s) concerned, and the employee. The President or designate shall confirm a decision to transfer to the employee in writing at least seven (7) months prior to the date on which the transfer is to become effective.

The written notice of the decision shall indicate:

- (a) the reasons requiring the permanent transfer from the one unit to the other;
- (b) the reasons for the selection of the particular employee for permanent transfer;
- (c) the reasons that other solutions, including short term transfer, were not considered appropriate.

The selection of a particular employee shall not be done in an unreasonable manner.

18.34 Sixty (60) days prior to the conveying of notice of permanent transfer to the employee, the President or designate shall inform the Joint Committee on the Administration of the Agreement of his/her intention to make a permanent transfer between the units in question, and shall provide documentation setting forth the need for or advisability of the transfer. A copy of this letter shall be sent to the Departments/Faculties involved.

18.35 Employees who are transferred will retain tenure, rank, seniority, salary, and years of service toward sabbatical leave and pension, and all similar entitlement.

- 18.36 No employee shall be compulsorily transferred during his/her period of candidacy.

Working Environment

- 18.37 The Employer recognizes its responsibility to provide an adequate level of facilities and services in support of the work of employees, including provision of reasonable office, studio, and laboratory space, telephone, secretarial, library, computing, duplicating, technical, and other support services.

The Employer recognizes a responsibility to provide sufficient facilities, supplies, and services to protect the health and safety of employees as they carry out their duties on University premises.

The Employer agrees to adhere to health and safety standards as embodied in current government legislation.

Employees who have reason to believe that a work situation is likely to endanger them have the right to refuse unsafe work pursuant to and in accordance with the provisions of the *Occupational Health and Safety Act*.

The parties agree that the Employer shall provide, and employees shall make use of, protective equipment wherever the same is required for the safe and efficient performance of employees' duties. The parties agree to carry on continuing educational programmes on safety and security procedures for employees. The Employer agrees that YUFA shall be represented on any University-wide safety committee involving bargaining unit representatives.

The Association shall be entitled to name one member to the University's Computer Services Committee (Advisory to the Vice-President Academic).

Office Space for Sabbaticants

- 18.38 All reasonable efforts will be made to accommodate employees proceeding on sabbatical leave, who have given advance notice of this need, for office space on-site during that sabbatical. Should the employees' normal on-site office not be available, replacement office shall be provided but may be on a shared basis.

Fines and Charges

- 18.39 The Employer agrees to impose no fines other than for the violation of library borrowing regulations and parking regulations. The Employer agrees that the Association shall be represented on the Presidential Advisory Committee which recommends the level of fines for violation of parking regulations. The Employer agrees that no levies shall be made against the salaries of employees during the life of this Agreement without the consent of the Association.

Parking for Physically Challenged

- 18.40 The Employer shall provide parking locations which are satisfactorily proximate to the offices of faculty/librarians who are physically challenged.

Accommodation for Persons with Disabilities

- 18.41 (a) The parties acknowledge their duty to accommodate persons with disabilities in the manner and to the extent required by the *Ontario Human Rights Code*. The parties agree that this means accommodating disabled employees to the point of undue hardship if such accommodation will enable the employee to perform the essential duties of his or her position. An employee with whom an accommodation is being discussed shall be informed of his or her option to have a union representative present during any such discussions.
- (b) The parties recognize that the work of the Task Force on Accommodation referenced in Appendix S of the 2003-2006 Collective Agreement has resulted in the document titled, "Employee Accommodation Process", which was reviewed at JCOAA.
- (c) Any changes to the process included in that document shall be brought to JCOAA for consultation prior to the implementation of the changes.
- (d) Such changes can be proposed by either party.
- (e) The parties to this Agreement recognize their joint responsibilities to effect accommodation in the workplace.
- (f) The Employee Accommodation Protocol will be posted on the York University website within thirty (30) days of ratification of this Agreement.

Teaching Assistance

- 18.42 A Course Directorship shall at a minimum be assigned assistance to reflect course enrolments above 50 as follows:
- (a) The assistance assigned shall be at least in the form of marker/grader assistance.
 - (b) The assistance shall be at least at the rate of 15 hours for each block of 5 students, or portion thereof, exceeding 50.
 - (c) Assistance shall be provided from the commencement of the course where the projected enrolment exceeds 50, but the assistance may be modified so as to reflect the actual enrolment as of the first official enrolment reporting date in each session.
 - (d) Where the projected enrolment is 50 or less but actual enrolments as of the first official enrolment reporting date in each session exceeds 50, assistance shall be provided as per (a) and (b).
 - (e) Units may consider forms of teaching assistance to reflect course enrolments above 50 in addition to or in lieu of marker/grader assistance, including, for example, tutorial support or consideration of large lecture courses in determining “normal teaching load” in the context of Article 18.08.1.

ARTICLE 19

Leaves

Short-Term Leave

- 19.01 Sick leave or emergency leave of a week or less may be arranged by an employee with his/her Chairperson (or Dean/University Librarian where applicable), who shall inform the Dean/University Librarian or designate. When advance notice is not possible, the employee should notify the Chairperson (or Dean/University Librarian where applicable) as soon as possible of the nature and expected duration of the absence from duties.
In granting sick leave of longer than one (1) week and up to one (1) month in duration, the Employer may require medical verification of the nature and expected duration of the illness. In exceptional cases, the Employer may, at its expense, require a second opinion from a mutually acceptable practitioner.
- 19.02 Sick leave, compassionate leave, bereavement leave, emergency leave, leave for extraordinary elder or child care, or other short-term leaves for up to one (1) month may be arranged by an employee with his/her Dean/Principal/University Librarian.
In granting sick leave of up to one (1) month in duration, the Employer may require medical verification of the nature and expected duration of the illness. In exceptional cases, the Employer may, at its expense, require a second opinion from a mutually acceptable practitioner.
Requests for leave of up to one (1) month in duration, for reasons other than illness, shall be made in writing by the employee to his/her Dean/Principal/University Librarian. The Dean/Principal/University Librarian shall deliver his/her reply to the request as promptly as possible, indicating in writing approval or disapproval, and setting out reasons for any denial, which shall normally be in terms of the effective scheduling of a unit's teaching/library programme.
- 19.03 In the case of short-term leave for up to one (1) month in duration, for purposes of illness or medical leave or compassionate leave or bereavement leave or emergency leave or other leave, the employee on short-term leave shall continue to receive full pay and all benefits. In the case of short-term leave for up to one (1) month in duration, for purposes other than illness or compassion, the Employer may reduce the salary of the individual on leave, for the period of the leave, depending upon the purpose of the leave and any remuneration resulting from it.
- 19.04 The teaching/professional and service responsibilities of an employee on short-term leave of up to one (1) month be assumed by his/her colleagues without additional expenses to the Employer.
- 19.05 Short-term leaves as provided for in clauses 19.01, 19.02, 19.03 and 19.04 shall not be unreasonably denied.

Long-Term Leave

SICK LEAVE

- 19.06 Where an employee requests sick leave for longer than one (1) month or is absent by reason of illness for longer than one (1) month, the Employer shall grant sick leave with full pay and benefits for a period of up to fifteen (15) weeks from the beginning of his/her absence or until the University's Long-Term Salary Continuance Programme (LTSCP) comes into effect, whichever occurs sooner. In granting long-term sick leave, the Employer may require medical verification of the nature and expected duration of the illness. In exceptional cases, the Employer may, at its expense, require a second opinion from a mutually acceptable practitioner. If the employee is not deemed eligible for benefits under the LTSCP, the Employer may grant a leave of absence without pay, a leave at reduced salary, or continuance of full salary and benefits, for a specified period of time.
The Employer may require medical verification of the employee's fitness to resume all of the responsibilities expected of the employee and may, at its expense, require a second opinion from a mutually acceptable practitioner.
- 19.07 If an employee is absent for more than one (1) month, the Employer shall normally arrange for a substitute or shall provide appropriate remuneration or other compensation to colleagues who assume his/her duties.

PREGNANCY, PRIMARY CARE GIVER, AND PARENTAL LEAVES

19.08 (a) An employee shall be granted pregnancy leave with full salary and benefits for a period of up to seventeen (17) weeks, to be taken at the discretion of the employee during the period immediately preceding and/or following the birth of her child.

(b) An employee who has the principal responsibility for the care of the child shall be granted leave with full salary and benefits for a period of up to seventeen (17) weeks, to be taken at the discretion of the employee during the period(s) immediately preceding and/or following:

- (i) the birth of the child, or;
- (ii) the coming of the child of less than twelve (12) years of age into the custody, care and

control of a parent for the first time.

(c) An employee who takes a pregnancy leave or primary care giver leave under 19.08(a) or (b) above is entitled to a parental leave of absence for a period of up to thirty-five (35) weeks following:

- (i) the birth of the child, or;
- (ii) the coming of the child into the custody, care and control of a parent for the first time.

The Employer will supplement the Employment Insurance (EI) parental leave benefits for the first three (3) weeks of such parental leave so that the total from both sources equals 100% of the employee's normal weekly salary. The remaining thirty-two (32) weeks shall be taken as a leave of absence without pay.

Parental leave may begin no more than thirty-five (35) weeks after the day the child is born or comes into the custody, care and control of a parent for the first time.

The parental leave of an employee who takes a pregnancy/primary care giver leave must begin when the pregnancy/primary care giver leave ends unless the child has not yet come into the custody, care and control of a parent for the first time.

During parental leave, the employee shall be entitled but not required to maintain membership in any or all of the benefits from time to time in force through the Collective Agreement. During an employee's parental leave, the Employer shall continue to make the Employer's contributions to the University's benefit plans unless the employee gives the Employer a written notice in advance of the leave that the employee does not intend to pay the employee's contributions, if any.

An employee shall, if she so chooses, have the right to continue with her regular duties during pregnancy.

Should the health of the mother or child require additional time off from University duties, the employee may apply to her Dean/Principal/University Librarian for a leave of absence without pay for an additional period of up to twelve (12) weeks. (See Clause 19.13.)

Application for pregnancy leave shall be made as early as possible in advance of the expected delivery date. Application for primary care giver leave shall be made as early as possible. The employee shall give due regard to the need of the University for early notice of a prolonged period of leave.

19.09 The teaching/professional and service responsibilities of an employee on pregnancy leave or primary care giver leave and/or parental leave of less than one (1) month shall normally be assumed by her colleagues without additional expense to the Employer. If an employee takes pregnancy leave or primary care giver leave and/or parental leave of longer than one (1) month, the Employer will normally arrange for a substitute or shall provide appropriate remuneration or other compensation to colleagues who assume her duties.

PAID PARENTAL AND PARENTAL LEAVES

19.10 (a) A parent who does not qualify to receive pregnancy or primary care giver leave under 19.08(a) or (b) above will be granted paid parental leave with full salary and benefits for a period of up to four (4) weeks, to be taken at the discretion of the employee during the period immediately preceding and/or following:

- (i) the birth of the child, or;
- (ii) the coming of the child into the custody, care and control of a parent for the first time.

(b) A parent who does not qualify to receive pregnancy or primary care giver leave under 19.08(a) or (b) above is entitled to a parental leave of absence without pay for a period of up to thirty-five (35) weeks following:

- (i) the birth of the child, or;
- (ii) the coming of the child into the custody, care and control of a parent for the first time.

Parental leave may begin no more than thirty-five (35) weeks after the day the child is born or comes into the custody, care and control of a parent for the first time.

The parental leave of an employee who takes a paid parental leave must begin when the paid parental leave ends unless the child has not yet come into the custody, care and control of a parent for the first time.

During parental leave the employee shall be entitled but not required to maintain membership in any or all of the benefits from time to time in force through the Collective Agreement. During an employee's parental leave, the Employer shall continue to make the Employer's contributions to the University's benefit plans unless the employee gives the Employer a written notice in advance of the leave that the employee does not intend to pay the employee's contributions, if any.

The teaching/professional and service responsibilities of an employee on paid parental leave and/or parental leave of less than one (1) month shall normally be assumed by his/her colleagues without additional expense to the Employer. If any employee takes paid parental leave and/or parental leave of longer than one (1) month, the Employer will normally arrange for a substitute or shall provide appropriate remuneration or other compensation to colleagues who assume his/her duties.

Application for paid parental leave shall be made as early as possible. The employee shall give due regard to the need of the University for early notice of a prolonged period of leave.

- 19.11 If both parents are employees they may share between them their paid periods of leave. As much advance notice as possible of the expected duration of each employee's leave shall be provided to the Dean(s)/Principal/University Librarian.
- 19.12 An employee on pregnancy, paid parental, parental, or primary care giver leave shall accumulate years of service credit for all relevant provisions of this Agreement as if he/she were a full-time, on-site employee.

LEAVE OF ABSENCE WITHOUT PAY

- 19.13 An employee may apply in writing to the Dean/Principal/University Librarian or designate for leave of absence without pay at any time, and the Dean/Principal/University Librarian or designate shall reply in writing within thirty (30) days. Where such a request is denied, the letter from the Dean/Principal/University Librarian or designate shall set out the reasons for the denial, which shall normally be in terms of the effective scheduling of a unit's teaching/library programme or administrative duties (in the case of those employees listed in Appendix A, Section C) or pursuant to 19.15(a) or (b).

A copy of both the request and reply shall be filed with the Chairperson (where applicable). An employee on leave of absence without pay shall be entitled but not required to maintain membership in any or all of the University's benefit plans from time to time in force. Employees applying for such leave may apply also for a continuation of the Employer's contribution to benefit plans, and the Employer may approve same, depending upon the nature of the leave and the Employer's judgement as to the degree to which the leave is in the interests of the University as well as the employee. Eligibility for participation in the University's Guaranteed Housing Loan Plan and the spouse's/dependents' tuition waiver programme will not be affected by the leave.

- 19.14 Time spent on leave of absence without pay normally carries no credit as years of service either toward eligibility for consideration for tenure/continuing appointment or toward sabbatical leave. If the Employer approves an employee's request that a leave of absence without pay carry such credit, the terms of such credit and the applicability or otherwise of any "career progress" increments shall be agreed upon in writing at the time of the approval of the leave.
- 19.15 (a) Employees in the probationary classification shall not normally be granted more than two (2) years of leave of absence without pay as per 19.13, during the probationary period.
- (b) Leave of absence for a period of more than three (3) years, or consecutive leaves accumulating to more than three (3) years, will not normally be approved (with the exception of political leaves, as specified in clauses 19.21 to 19.23).

Extensions of leaves of absence beyond three (3) years may be granted by the Employer after consultation between the employee's Dean and Department.

Sickness, Pregnancy, etc. During Sabbatical Leave

- 19.16 The parties recognize that there may be cases in which employees on sabbatical leave suffer a serious interruption of their stated programme of activities because of personal illness, disability, pregnancy, etc. In such cases, it may be appropriate for the employee to request that the sabbatical arrangements be modified or cancelled. The JCOAA shall be charged with making recommendations to the parties respecting the criteria and procedures to be employed in making and responding to such requests.

Court Leave

- 19.17 An employee who has been summoned to be a witness or juror by any body in Canada with the power of subpoena, shall, if his/her attendance requires him/her to be absent from his/her scheduled teaching/professional or service responsibilities, notify his/her Dean/Principal/University Librarian or designate of the summons as soon as possible after its receipt, and shall supply the Dean/Principal/University Librarian or designate with a copy of the summons, upon request. An employee who has complied with the foregoing shall be granted paid

leave of absence during the period of service to the court or summoning body. Upon his/her return to work, the employee shall supply the Dean/Principal/University Librarian or designate upon request, with written confirmation of the dates of service, signed by an appropriate officer of the court or summoning body. The employee shall be entitled to retain any jury or witness fees. The teaching/professional and service responsibilities of the employee on such leave will normally be assumed by his/her colleagues without additional expense to the Employer, except where such leave exceeds a period of one (1) month, in which case the terms of clause 19.07 shall apply.

Terminal Leave

19.18 In conformity with existing practice, an employee denied tenure/continuing appointment shall be offered a final year of on-site employment at full salary. Such employees may, alternatively, apply for a terminal assisted leave, to take the form of either:

- (a) a twelve (12) months' leave at 50% of base salary, or such higher rate as the Employer at its discretion may decide, or;
- (b) a six (6) months' leave at 100% of base salary.

In the case of either form of leave, the employee shall make his/her application to the Dean/University Librarian within thirty (30) days of notification of the President's decision not to recommend tenure/continuing appointment, and the Dean's/University Librarian's reply to the application shall be made within thirty (30) days of the Dean's/University Librarian's receipt of the application.

Educational Leave

19.19 (a) In order to satisfy York University's future needs for particular skills and qualifications, and in order for employees to enhance their academic and professional qualifications, the Employer may grant study leaves with full or partial pay.

In particular, the Employer may provide financial support to employees who wish to undertake programmes of study in order to better qualify themselves for internal transfers and to provide for a higher level of professional flexibility. One may apply to have any period of educational leave regarded as normal university service with full entitlement to fringe benefits. The Employer's reply to such application shall be in writing.

(b) Commencing with the 1984/85 academic year, the Employer agrees to provide funds for the purpose of providing opportunities for probationary or tenured/continuing appointment employees to take educational leave for approved plans of study for purposes to include, but not be limited to, attainment of a higher level of professional flexibility and better qualification for internal transfer.

Employees on educational leave under this clause shall continue to receive full salary and benefits and to accumulate years of service credit for all provisions of this Agreement as if they were full-time, on-site employees.

Funds provided under this clause shall be provided to the academic unit(s) (in this instance to include the librarian's department or branch where practicable) of employees awarded educational leave under this clause, consonant with the number of courses from which the employee on leave has been released, at the normal rate currently being paid by the Employer to part-time Course Directors, to an overall maximum of nine (9) part-time Course Directorships or equivalent. Any funds not expended shall be carried forward for distribution within the following two (2) academic years.

(c) A University-wide committee on educational leaves shall be established within thirty (30) days of the signing of this Agreement, its composition to be determined by the parties in the JCOAA. The Committee on Educational Leaves shall be charged with soliciting and deciding upon employees' applications for educational leaves under this clause. The employee's application shall include a letter from the Dean/Principal/University Librarian assessing the application in terms of the academic needs of the department/division, Faculty, or the University. A copy of this letter shall be sent to the employee. The decisions of the Committee shall be based upon and constrained by the academic needs of departments/divisions, Faculties, the Library, or the University, and subject to criteria established by the JCOAA. The Committee shall endeavour to distribute educational leave awards under this clause across the University community. The Committee normally shall render its decisions by the end of the fall term of the previous academic year. The decisions of the Committee shall not be grievable.

Employees accepting educational leaves supported by the fund established under this clause shall return to active on-site service at the University following their leaves, and shall be required to make an undertaking to repay 100% of the funds allocated in support of their leaves if they do not so return, or 50% of those funds if they do not return for at least two (2) years of active on-site service.

Political Leave

- 19.20 To the extent permitted by law, an employee holding a probationary or tenured/continuing appointment may stand for election to any Canadian political office without prejudice to his/her University position, and in the case of federal/provincial office, shall be granted leave of absence up to one (1) month in the event that his/her teaching/professional and service responsibilities can be assumed by his/her colleagues without additional expense to the Employer. An employee elected in a federal or provincial election, who does not resign from his/her appointment at York University, shall be granted political leave.
- 19.21 Political leave shall be of two kinds:
 (a) full leave from University duties, at no pay;
 (b) partial reduction in University duties, at a corresponding reduction in pay.
 The determination as to which kind of leave shall apply in a particular case shall lie with the Employer, following its consideration of the degree to which the individual's public responsibilities will interfere with his/her University duties. The Employer may substitute a leave under category (a) for a leave under category (b), upon sixty (60) days' notice to the individual. The notice to the individual shall be in writing, and shall set out the reasons for the substitution.
- 19.22 An employee elected to municipal office may apply for political leave as set out in clause 19.20. The Employer also may require that an employee elected to municipal office take political leave as set out in clause 19.20, unless the employee can demonstrate that his/her public responsibilities will not interfere with his/her University duties. Such leave shall be for the term of the political office in question. The maximum length of such leave(s) shall be six (6) years, following which the individual must either resign his/her University position or return to full-time duties.
- 19.23 The date upon which political leave becomes effective shall be determined mutually by the individual and the Dean/Principal/University Librarian or designate, but shall in no case be later than the opening date of the session of the body to which the employee has just been elected.
- 19.24 Political leave may extend for six (6) years, or two (2) terms of office, whichever period is greater. "Term of office" shall be taken to include the period between dissolution of a parliament or legislature and the subsequent election. Beyond such period of time, or if the individual ceases to hold office (office being taken to cover the period of actual office holding plus the period ending with the individual's failure to be re-elected), the individual must either resign his/her University position or return to full-time duties.
- 19.25 An employee on political leave shall be entitled but not required to maintain membership in any or all of the University's benefit plans from time to time in force. Eligibility for participation in the University's Guaranteed Housing Loan Plan and the spouse's/dependents' tuition waiver programme will not be affected by political leave. Time spent on political leave shall carry no credit as years of service either toward eligibility for consideration for tenure/continuing appointment or toward sabbatical leave.
- 19.26 An employee shall return from political leave at the same rank, appointment classification, and salary level (plus any intervening across-the-board adjustments, including cost-of-living allowance and, at the discretion of the Employer, "career progress" or equivalent increments) as held at the time of his/her election.
- 19.27 The salary and duties of an employee returning from political leave shall commence on the first of the month next following the election in which he/she is not re-elected, unless an alternate re-commencement date has been approved by the Employer.

External Release Time Fellowships

- 19.28 Employees holding release time fellowships from granting agencies such as, but not limited to, SSHRC/NSERC/MRC shall continue to receive Employer contributions to Pension and salary based benefits at 100% of full academic base salary rate. Such employees shall accumulate years of service credit for all relevant provisions of this Agreement as if they were full-time, on-site, employees.

Internal Support For Teaching and Research

FACULTY/LIBRARY RESEARCH GRANT FUNDING

- 19.29 (a) The Employer agrees to maintain as a "Faculty/Library Research Grant Funding" the amount of \$325,000. Any funds not expended shall be available in the following year.

JUNIOR FACULTY/LIBRARIAN FUND

(b) A fund of \$110,000 per year will be provided to support research by junior (untenured) faculty members and to support research and professional development by junior (untenured) librarians.

CONFERENCE TRAVEL

(c) The Employer agrees to provide a conference travel support fund of \$180,000 per year. Any funds not expended shall be available the following year.

LEAVE FELLOWSHIP FUND

19.30 The Employer agrees to provide a Leave Fellowship Fund of \$200,000 to provide peer adjudicated additional grants of up to 10% of academic base salary to sabbaticants. The grants shall be subject to the conditions set out in Article 20.18, and to an absolute maximum of \$10,000 on any one grant. The award of these grants shall be the responsibility of a University-wide committee on the Leave Fellowship Fund which shall be established within thirty (30) days of the ratification of this Agreement, its composition to be determined by the parties in the JCOAA.

TEACHING-LEARNING DEVELOPMENT FUND

19.31 The Employer agrees to establish a University Teaching-Learning Development Fund of \$30,000 per year with additional contingency support of up to \$15,000 should it prove required to meet *bona fide* demand, for the purpose of providing financial support to innovative teaching-learning projects, to be carried out either by individual members of the bargaining unit or by academic units. All members of the bargaining unit shall be entitled to apply for these funds. Any funds not awarded shall be retained for distribution in the following year. The award of these grants shall be the responsibility of a University-wide committee on the Teaching-Learning Development Fund which shall be established within thirty (30) days of the ratification of this Agreement, its composition to be determined by the parties in the JCOAA.

RELEASE TIME TEACHING FELLOWSHIPS

19.32 The Employer agrees to provide \$60,000 per year for the purpose of awarding release time teaching fellowships to members of the bargaining unit for the purpose of enhancing their teaching skills and for developing teaching programmes. All members of the bargaining unit shall be entitled to apply for these fellowships.

According to the provisions of this clause, funds shall be provided to the academic unit(s) of the employees who are awarded teaching fellowships. The amount of funds awarded to each unit shall be consonant with the proportion of workload from which the employee has been released.

Any funds not awarded, shall be retained for distribution in the following year.

The award of these grants shall be the responsibility of a University wide committee on the Release Time Teaching Fellowships which shall be established within thirty (30) days of the signing of this Agreement, its composition to be determined by the parties in the JCOAA.

RESEARCH DEVELOPMENT FELLOWSHIP PROGRAM

19.33 The terms and conditions respecting the Research Development Fellowship Programme are set out in Appendix L of this Agreement.

ARTICLE 20

Sabbatical Leave

20.01 The purpose of sabbatical leave is to serve the objectives of the University by affording employees a regular opportunity to maintain and enhance their academic and professional competence free from normal on-campus teaching/professional and service obligations. Sabbatical leave is intended to promote high levels of scholarly and professional activity by employees through sustained periods of concentrated study, contemplation, and creative work, and through the extension of the range of contacts of employees to other people, places, experiences, and ideas. The parties to this Agreement acknowledge a joint responsibility to ensure the effective use of sabbatical leaves so as to strengthen the University in the achievement of its objectives.

Sabbatical Leave for Faculty Members

20.02 (a) Tenured faculty members in the Professorial or Alternate Stream are entitled to one (1) full year of sabbatical leave after six (6) years of service, subject to clauses 20.05, 20.06, and 20.07, below. No more than three (3) years of credit toward a sabbatical may be accrued during a leave of absence under Article 19. Normally a faculty member will take sabbatical leave every seventh (7) year. However:

(i) The employee may, with the permission of the Dean or designate, take leave before the year in which he/she would normally be entitled to take leave. Similarly, the Dean or designate, in consultation with the Chairperson (where applicable), may request that an individual advance his/her sabbatical leave in the interests of effective scheduling of a unit's course offerings. In both these cases of a sabbatical being taken earlier than in the normal year, the individual shall be entitled to take his/her next sabbatical in the seventh (7) year following the normal year.

(ii) The employee may, with the permission of the Dean or designate, take leave later than the year in which he/she would normally be entitled to take leave. Similarly, the Dean or designate, in consultation with the Chairperson (where applicable), may require that an individual delay his/her sabbatical leave in the interests of effective scheduling of a unit's course offerings. Notice of a required delay shall be given in writing to the employee at least fourteen (14) months in advance of the normal starting date of the leave. In both these cases of a sabbatical being taken later than in the normal year, the individual shall be entitled to take his/her next sabbatical in the seventh (7) year following the normal year.

Deans and Chairpersons (where applicable) shall establish a roster of impending sabbatical leaves so that faculty members are aware well in advance of the likelihood of delay, or the possibilities for advancement, of their sabbatical leaves.

(b) In the case of employees who have not yet received a decision on tenure, but who have satisfied the years of service requirement established in 20.02(a), the Employer may, at its discretion, grant sabbatical leave as provided in this Article.

20.03 Faculty members appointed to York University directly from full-time faculty service at another university shall be granted credit for such service on the basis of one (1) York year of service for each two (2) years of active, unbroken, full-time faculty service since sabbatical at their previous university(ies), or if there has been no sabbatical at the previous university(ies), since the date of first full-time faculty appointment, to a maximum of three (3) York years of service. In order to provide for a smooth transition in the application of the terms of this Agreement, the Dean, in consultation with the Chairperson (where applicable), may rule that the effective scheduling of a unit's course offerings renders it not feasible for all or part of such credit to be granted to advance a faculty member's first York sabbatical leave from its normal seventh (7) year. In such cases, the remaining credit shall be applied as years of service toward the second sabbatical leave.

20.04 The Employer shall inform prospective faculty members of clause 20.03 and may, at its discretion, enter into agreement with an individual faculty member to award York years of service credit toward a sabbatical leave in order that a faculty member be entitled to a sabbatical leave earlier than would normally be the case. Such agreement shall be made between the faculty member and the Employer in writing, and made at time of appointment of the faculty member to the University.

20.05 At least fifteen (15) months before the normal starting date of his/her sabbatical leave, a faculty member shall indicate to his/her Chairperson or Dean his/her intent to proceed to sabbatical leave. A Dean who receives from a faculty member a statement of intent to proceed to sabbatical leave shall respond to the scheduling of the sabbatical leave as specified in the statement of intent within three (3) months of receipt, either agreeing to the scheduling of the sabbatical leave or denying it and stating the reasons for the denial. Failure of the Dean to respond within three (3) months shall constitute approval of the scheduling of the sabbatical leave as proposed by the faculty member. The statement of intent may subsequently be withdrawn by the faculty member with the approval of the Dean.

Failure of the faculty member to express an intent to proceed to sabbatical leave or to request an advancement/delay of the normal sabbatical leave shall constitute a waiving of the entitlement to the sabbatical leave in question. A faculty member shall provide to his/her Chairperson (where applicable) and Dean a general statement of his/her programme of activities planned for the period of sabbatical leave. By 1 November next following his/her return from sabbatical leave, a faculty member shall file a report on his/her sabbatical leave with his/her Chairperson (where applicable), with a copy to the Dean and the Office of Research Administration.

- 20.06 In very exceptional and abnormal circumstances, relating only to a faculty member's second or subsequent sabbatical leave, the Dean may, after consultation with the faculty member's Chairperson (where applicable) recommend to the President that sabbatical leave be denied the faculty member. The decision to deny a sabbatical leave shall be based on evidence pertaining to the body of a faculty member's performance, during and subsequent to his/her previous sabbatical leave, of those professional responsibilities directly germane to the effective use of the sabbatical leave, which establishes conclusively that the University and the individual will not benefit from his/her programme of leave in terms of the purposes of sabbatical leave as set out in clause 20.01, above.

When sabbatical leave is denied, within thirty (30) days of the Dean's receipt of the statement of leave programme, the faculty member shall be provided with a detailed written statement containing the reasons for the denial, the specific evidence on which the denial is based, and a record of the Employer's communication to the employee of dissatisfaction with his/her performance. An employee so affected shall have full access to the grievance and arbitration procedures established by Article 9 of this Agreement. If the matter is grieved and taken to arbitration, the arbitrator or arbitration board shall have jurisdiction to determine whether sabbatical leave shall be granted.

- 20.07 A faculty member proceeding to sabbatical leave shall report to his/her Dean or designate all non-trivial income for professional services of which receipt from sources other than York University is anticipated. Such income, to include salary, professional fees, and research stipends, together with the York sabbatical salary, shall not exceed 100% of the faculty member's normal professional income, plus reasonable research, travel, and associated expenses. Where such total is exceeded, the York sabbatical salary may be correspondingly reduced. Consistent with the foregoing, a sabbatical leave is not normally intended to allow an opportunity for a faculty member to assume a full-time salaried position elsewhere.

A faculty member wishing to do so will normally resign or make application for a leave of absence without pay. Individuals proceeding to sabbatical leave are encouraged to apply for external research assistance, and the University shall assist a faculty member in the classification of a portion of his/her sabbatical salary as a research grant.

- 20.08 Sabbatical leave is normally for a period of twelve (12) months and will normally begin on either 1 July or 1 January. A faculty member may apply to take his/her sabbatical leave in the form of a six (6) months' leave also normally beginning on either 1 July or 1 January.

Sabbatical Leave for Professional Librarians

- 20.09 (a) All librarians with continuing appointments are entitled to sabbatical leave to take place after six (6) years of service, subject to Articles 20.11 and 20.12. Sabbatical leave will normally begin on the first of the anniversary month of initial appointment at York.

(b) Normally, a librarian will take sabbatical leave every seventh (7) year. However, the employee may, with the permission of the University Librarian/Dean, Faculty of Law or designate, take sabbatical leave before or after the year in which he/she would be normally entitled to take leave. Similarly, the University Librarian/Dean, Faculty of Law or designate may request that an employee delay his/her sabbatical in the interests of maintaining effective scheduling of library services. Notice of a required delay with rationale shall be given in writing to the librarian at least nine (9) months in advance of the normal starting date of the leave. In all such cases, the individual shall be entitled to take his/her next sabbatical in the seventh (7) year following the normal year.

(c) The University Librarian/Dean, Faculty of Law shall establish a roster of impending sabbatical leaves so that professional librarians are aware well in advance of the likelihood of delay, or the possibilities for advancement, of their sabbatical leaves.

- 20.10 Professional librarians appointed to York University directly from full-time professional librarian service at another university shall be granted credit for such service on the basis of one (1) York year of service for each two (2) years of active, unbroken, full-time professional librarian service since sabbatical at their previous university(ies), or if there has been no sabbatical at the previous university(ies), since the date of first full-time professional librarian appointment, to a maximum of three (3) York years of service. In order to provide for a smooth transition in the application of the terms of this Agreement, the University Librarian/Dean, Faculty of Law, in consultation with the Department Head (where applicable), may rule that the effective scheduling of a

unit's work renders it not feasible for all or part of such credit to be granted to advance a professional librarian's first York sabbatical leave from its normal seventh (7) year. In such cases, the remaining credit shall be applied as years of service toward the second sabbatical leave.

- 20.11 At least twelve (12) months before his/her expected starting date of his/her sabbatical leave, a librarian shall submit to the University Librarian/Dean, Faculty of Law or designate a statement of his/her intent to proceed to sabbatical leave together with a general statement of his/her programme of leave to maintain and enhance his/her academic and professional competence. Failure of a librarian to express an intent to proceed on his/her normal sabbatical leave or to request an advancement/delay of the normal sabbatical leave shall constitute a waiving of the entitlement to the sabbatical leave in question.

The University Librarian/Dean, Faculty of Law, having received a statement of intent to proceed to sabbatical leave, shall respond to the scheduling of the sabbatical leave as specified in the statement of intent within three (3) months of receipt, either agreeing to the scheduling of the sabbatical leave or denying it and stating the reasons for denial. Failure of the University Librarian/Dean, Faculty of Law to respond within three (3) months shall constitute approval of the scheduling of the sabbatical leave as proposed by the librarian.

The statement of intent may be subsequently withdrawn by the librarian with the approval of the University Librarian/Dean, Faculty of Law. Within three (3) months following his/her return from sabbatical leave, a librarian shall file with the University Librarian/Dean, Faculty of Law, with a copy to the Office of Research Administration, a complete report of his/her sabbatical leave project.

- 20.12 In very exceptional and abnormal circumstances, relating only to a librarian's second or subsequent sabbatical leave, the University Librarian/Dean, Faculty of Law may after consultation with the Department Head (where applicable) recommend to the President that sabbatical leave be denied the librarian. The decision to deny a sabbatical leave shall be based on evidence pertaining to the body of the librarian's performance, during and subsequent to his/her previous sabbatical leave, of those professional responsibilities directly germane to the effective use of the sabbatical leave, which establishes conclusively that the University and the librarian will not benefit from his/her programme of leave in terms of the purposes of sabbatical leave as set out in Clause 20.01 (above). When sabbatical leave is denied, within thirty (30) days of the University Librarian's/Dean, Faculty of Law's receipt of the statement of leave programme, the librarian shall be provided with a detailed written statement containing the reasons for the denial, the specific evidence on which the denial is based, and a record of the Employer's communication to the employee of dissatisfaction with his/her performance. An employee so affected shall have full access to the grievance and arbitration procedures established by Article 9 of this Agreement. If the matter is grieved and taken to arbitration, the arbitrator or arbitration board shall have jurisdiction to determine whether sabbatical leave shall be granted.

- 20.13 A professional librarian proceeding to sabbatical leave shall report to the University Librarian/Dean, Faculty of Law or designate all non-trivial income for professional services of which receipt from sources other than York University is anticipated. Such income, to include salary, professional fees, and research stipends, together with the York University sabbatical salary, shall not exceed 100% of the librarian's normal professional income, plus reasonable research, travel, and associated expenses. Where such total is exceeded, the York sabbatical salary may be correspondingly reduced. Consistent with the foregoing, a sabbatical leave is not normally intended to allow an opportunity for a professional librarian to assume a full-time salaried position elsewhere.

A librarian wishing to do so will normally resign or make application for a leave of absence without pay. Individuals proceeding to sabbatical leave are encouraged to apply for external research assistance, and the University shall assist a librarian in the classification of a portion of his/her sabbatical salary as a research grant.

- 20.14 Sabbatical leave for librarians may be requested either for a period of six (6) months or a period of twelve (12) months. Salary support shall be as defined in Article 20.18.
- 20.15 A librarian on sabbatical leave remains a full-time employee of the University and is entitled to all usual fringe benefits. Librarians on sabbatical leave shall receive all salary increases on the same basis as other employees and shall be eligible for all discretionary increases.

Conditions Applicable to All Sabbatical Leaves

- 20.16 In order that the workload of other employees not be made excessive as a result of sabbatical leaves taken by their colleagues, or that sabbatical leaves not be unduly delayed, the Employer agrees to continue to make a reasonable effort to appoint replacements.
- 20.17 The parties agree that it would be most unusual, and except under very unusual circumstances (e.g., when the employee is approaching normal retirement, or as part of an agreed voluntary separation arrangement), improper,

for an employee not to return to York University for at least one (1) year of service following a period of sabbatical leave.

Salary Support Rates

20.18 Commencing 1 July 1991, sabbatical leave salary support shall be at the rate of:

Six Month Leaves

- (a) 100% of academic base salary for six month leaves.

Twelve Month Leaves

(b) (i) FIRST SABBATICALS: For all employees who are taking their first sabbatical leave (i.e., first sabbatical leave from York or elsewhere), sabbatical salary shall be as follows:

(A) where the employee's salary in the year prior to the sabbatical year is at or below the average bargaining unit salary in that year, the sabbatical salary shall be at 100% of academic base salary;

(B) where the employee's academic base salary in the year prior to the sabbatical year is above the average bargaining unit salary in that year, the sabbatical salary shall be at the greater of:

(1) the rate of the average bargaining unit salary during the year before sabbatical year increased by the application of any general increments for the sabbatical year;

(2) 80% of the employee's salary.

(C) The sabbatical salary level established in (A) or (B) (above), shall be reduced by the amount of any external leave salary support.

(ii) SECOND AND SUBSEQUENT SABBATICALS: For second and subsequent sabbaticals, sabbatical salary support for twelve (12) month leaves shall be 75% of academic base salary, *plus* additional supplementary salary support of up to 5% of academic base salary, on condition that the sum of:

Basic 75% sabbatical support

+

*Any additional sabbatical salary support
from external agencies or
York University Leave Fellowships*

+

*Employer's supplementary support
(maximum 5%)*

does not exceed 100% of the employee's academic base salary. Any amount by which this total exceeds 100% shall be deducted from the Employer's supplementary support component.

20.19 An employee on sabbatical leave remains a full-time employee of the University, and is entitled to all usual fringe benefits and benefits which he/she would participate in if present in his/her academic unit, such as conference travel funds. Employees on sabbatical leave shall receive all salary increases on the same basis as other employees and shall be eligible for all discretionary increases.

For clarity, during sabbatical leave, benefits are affected as follows:

- (a) York Pension Plan contributions are based on actual earnings (regular and sabbatical grant). Where a sabbatical is less than 100% of nominal salary, an employee may contribute, to the York Pension Plan, the difference between the contributions at the reduced sabbatical rate and those which would be required by the employee and the Employer at normal 100% salary.
- (b) Life Insurance and Long Term Disability coverage and deductions continue to be based on the employee's full regular base salary.
- (c) OHIP, Extended Health Care and Dental Plan coverage and deductions continue unaffected by a sabbatical leave.

ARTICLE 21

Employment of Non-Members

The Employer agrees that non-members of the bargaining unit shall not perform the responsibilities of bargaining unit employees except as specified below:

- (a) Nothing herein shall prevent the teaching of courses or the performance of librarian responsibilities or the pursuit of research/scholarly/creative activities by those excluded from the bargaining unit as defined and agreed to by the parties in Appendix A, and who hold faculty or librarian rank, or by such others as may be agreed to by the parties from time to time.
- (b) Nothing herein shall prevent the performance of instructional duties by students registered in a programme in the Faculty of Graduate Studies of York University in accordance with the rules and regulations of that Faculty, or by full-time non-faculty employees of the University as part of their full-time duties to a maximum of six (6) such full-time non-faculty employees. A current list of such employees shall be filed with YUFA upon the signing of this Agreement, and the currency of the list maintained.
- (c) Subject to any agreements between the parties reached pursuant to clause 18.14 of this Agreement, nothing herein shall prevent the performance of instructional or professional librarian responsibilities by:
 - (i) part-time employees of the University;
 - (ii) persons employed full-time by the University, but not members of the bargaining unit, and appointed additionally to part-time instructional duties. The Employer shall maintain on file with the Association a current list of such persons;
 - (iii) persons employed full-time by the University, but not members of the bargaining unit and not covered by (a), above, appointed to regular instructional duties on an unpaid basis, to a maximum of three (3) persons. The Employer shall maintain on file with the Association a current list of such persons.

ARTICLE 22

Personnel Files

- 22.01 Documents and materials used by the Employer in the professional assessment of an employee, except for documents and materials prepared for and used in the process of consideration for promotion or the granting of tenure/continuing appointment, shall be placed in one of the employee's official personnel files. Official personnel files shall be kept only in the office of the employee's Faculty Dean/Principal/University Librarian, the Department of Human Resources, and the Office of the President. Normally only one (1) personnel file will be kept in any one of the above offices. When more than one such file is held in an office, each file in that office shall carry a note indicating the existence of the other(s).
- 22.02 Employees shall have the right, during normal business hours and on reasonable notice in writing to the head of the office in question, to examine the file held in any of the offices in clause 22.01, subject to the following conditions:
- (a) The employee, or his/her duly authorized representative, shall be allowed to examine his/her personnel file only in the presence of a person designated by the head of the office in question. The employee shall not be permitted to remove the file or any part thereof from the office.
 - (b) An employee shall have access to all documents and materials to be used by the Employer in making professional assessments of that employee, except for:
 - (i) documents and materials prepared for and used in the process of consideration for promotion or the granting of tenure/continuing appointment;
 - (ii) documents and material prepared for and used in the process of consideration for awards and grants; and
 - (iii) documents and material prepared for and used in the appointment to academic-administrative, or administrative, positions within the University, inside or outside the bargaining unit.
- 22.03 (a) No anonymous material other than aggregated statistical information recorded in student evaluations shall be kept concerning any employee. (The raw data [e.g., questionnaires] from which this aggregate statistical information has been developed must be kept until the employee has had the opportunity to confirm the accuracy of these statistical aggregates.)
- (b) Other than as set out in 22.03(a) above no anonymous material shall be used in any process covered by the terms of this Collective Agreement and, if introduced, such evidence shall be sufficient in and of itself to invalidate the proceedings.
- 22.04 An employee shall have the right to have included in his/her file(s), his/her written comments on the accuracy or the meaning of any of the contents of the non-confidential portion of his/her file(s), and to add any relevant documents to the file(s).
- Material contained in the non-confidential portion of an employee's file(s) may be removed from the file(s) only by the mutual agreement of the employee and the head of the office in question.
- 22.05 An employee may, on written request and at his/her own expense, obtain copies of that part of his/her file(s) open to him/her.
- 22.06 Except as specified in this Agreement, documents and materials used by the Employer in the professional assessment of an employee, and the documents and materials prepared for and used in the process of consideration for promotion or the granting of tenure/continuing appointment of an employee, shall not be made available to third parties except in the performance of their duties under this Agreement and related University documents and policies, or except at the request of the employee.
- 22.07 The Employer shall be entitled to use in the course of its normal academic business data contained in the *curricula vitarum* of employees, subject to the employee's agreement as to those portions of his/her *curriculum vitae* which may be so used. Employees shall, at the request of the Dean/Principal/University Librarian or designate, update and provide to the Dean/Principal/University Librarian or designate annually their *curricula vitarum*, which shall include a statement of current research interests. Digital copies of *curricula vitarum* of employees shall not be required by the Employer.
- The parties agree to establish an ad hoc Joint Committee which shall attempt to define a mutually agreeable format and procedure for the collection from faculty by the Associate Vice-President (Research) of periodic reports on current research activities.
- The Joint Committee shall comprise two (2) representatives of the Association and two (2) representatives of the Employer (one of whom shall be the Associate Vice-President of Research), and shall report to the parties within three (3) months of the ratification of this Agreement.

ARTICLE 23

Patents and Copyrights

Patents

- 23.01 The parties agree to abide by the existing practices in respect of patent policy insofar as they relate to terms and conditions of employment. The payment of salary to employees and the provision of a normal academic environment in which to work shall not be construed as use of the University's funds or use of its facilities as regards patent matters.

Copyright

- 23.02 Notwithstanding s.13(3) of the *Copyright Act*, the parties agree that, the copyright to all forms of written, artistic, and recorded works (including, but not limited to, lecture courses and videos thereof, computer programmes, choreographic numbers, cartographic materials, bibliographic materials, and course materials, including correspondence course packages, course packages to be delivered on the Internet, multimedia instructional packages and interactive text books) shall be retained by the employee(s) responsible for the origination of the materials in whole or in part, pro-rated to reflect the contribution of the originator(s). The copyright in assessment, grading, reports or correspondence pursuant to the employee's normal administrative or professional duties with the University shall be retained by the employee, who shall be deemed to have granted the University a perpetual free license to use these materials in the course of its normal, non-commercial, institutional business. The employee(s) shall retain such copyright throughout his/her/their lifetime; upon his/her/their death all such rights shall devolve upon his/her/their estate(s). Such materials shall not be published, licensed, or released in any way, or amended, edited, cut, or in any way altered, without the written consent of the employee(s) holding the copyright. The holder(s) of the copyright shall have the complete rights to the proceeds of its exploitation, except as otherwise specified hereunder.
- 23.03 Notwithstanding Article 23.02, the employee may agree in writing to transfer copyright from the employee to the Employer for those works which are not produced as part of the individual's duties and responsibilities in the University (such as art work commissioned by the University to decorate the University, written materials or films that promote the University). At minimum, this Agreement shall address any additional compensation to the employee arising from the commission, any shared distribution of the costs of production, and any shared distribution of any proceeds arising from exploitation of the copyright, shall be agreed in writing between the employee(s) and the Employer.

WORK ORIGINATED OR DEVELOPED WITH THE DIRECT SUPPORT OF THE EMPLOYER

- 23.04 Where there are proceeds from the exploitation of the copyright of the academic works referred to in Clause 23.02, other than scholarly text and/or articles, and where the production of the work is dependent upon a direct allocation of University funds, staff, equipment, or other resources (not to include the faculty member's salary with the provision of office space), the proceeds from the exploitation shall be divided between the employee(s) and the Employer, such that seventy-five (75) percent of the proceeds of exploitation shall be allotted to the Employer until such time as the costs of the Employer's direct support of the costs of production have been met. Thereafter, the right of proceeds of exploitation shall revert to the holder(s) of the copyright, unless otherwise agreed in writing between the employee(s) and the Employer. Employees exploiting any work that has been originated or developed with the direct support of the Employer shall so inform the Employer. The burden of establishing the amount of the costs incurred in the provision of such direct support shall lie on the Employer.
- 23.05 An employee may enter into an agreement with the Employer for the use or exploitation of copyrightable material produced by the employee on terms to be agreed between the employee and the Employer in writing (see 23.03 and 23.04).
- 23.06 Copies of any agreements between the Employer and employees pursuant to clauses 23.03, 23.04, or 23.05, above, shall be sent to the Association.
- 23.07 If after three (3) years, an author or originator deems instructional or bibliographic materials, of which the copyright has been assigned to the Employer, unsatisfactory for proposed use because of dating or any other academic or artistic reason, he/she shall have the right to review the work in question, and to amend it. If the work cannot be satisfactorily amended, the employee may withhold or withdraw it from use by the Employer.

- 23.08 An employee shall have the right to use copyrightable materials produced by him/her but owned by the University, if practicable. (The onus of establishing that it is not practicable shall rest with the Employer.)
- 23.09 An employee shall be given a copy of any of his/her work produced by the Employer, at no charge to the employee, if practicable. (The onus of establishing that it is not practicable shall rest with the Employer.)
- 23.10 Should the Employer wish to erase or otherwise destroy a work produced as in clause 23.03, either during or at the end of an agreement as specified in clause 23.03, the author or originator shall be given one (1) month's notice in writing of such intention and shall be permitted during that time to take either the original or a copy of all or a part of the work for his/her own use, and at a cost not exceeding the cost of the tape/film/recording or other medium upon which the work has been recorded.
- 23.11 The Employer shall inform the Association and the originators in writing of any agreements it enters into purporting to assign copyright materials of which it is the copyright holder produced or to be produced by an employee to any party except that employee.

ARTICLE 24

Lay-off for Reason of Financial Necessity

- 24.01 The parties acknowledge their joint responsibilities to work together in maintaining the University in a financially sound position. The Employer recognizes that full-time faculty members and professional librarians constitute the University's major academic strength, and that it has a responsibility to take all reasonable measures to forestall and prevent financial circumstances that would require the lay-off of employees. Employees, in turn, have a responsibility to show reasonable flexibility in assisting the Employer to meet the changing needs of the University and its changing financial circumstances.
- 24.02 The Employer undertakes that lay-off of employees will occur only in the event of, and only to the extent required by, a *bona fide* case of financial necessity which, by its gravity and the likelihood of its long-term continuation, threatens the fulfilment of the University's academic purpose, and which can be alleviated only by lay-offs. Specifically, it is agreed by the parties that lay-offs for reason of financial necessity will not be proposed if the bargaining unit salaries and fringe benefits budget, as defined in Appendix B, does not exceed 39.46% of the University's expenditures listed in Appendix B. A declaration of financial necessity and such lay-offs as may follow shall be subject to the procedures specified below in clauses 24.03 to 24.24 inclusive.

Declaration of Financial Necessity

- 24.03 These procedures shall be initiated by a report from the President to the Board of Governors, the Senate, and the Association, to the effect that a state of financial necessity requiring the lay-off of employees is impending.
Such a report shall be made by the President, only following consultation with the Joint Committee on the Administration of the Agreement and its Financial Information Subcommittee.
- 24.04 Until the decision is made by the Board of Governors concerning whether or not a declaration of financial necessity is to be made, and until this decision has been implemented (i.e., until all the procedures up to and including clause 24.17 have been carried out), the President shall not, from the date of his/her report as specified in clause 24.03, recommend any new appointments to the bargaining unit. Furthermore, during this specified time-period, the Employer agrees to inform the Joint Committee of any proposals for the establishment of additional Professional/Managerial or Senior Administrative Staff positions for either a short or a long term.
- 24.05 The Employer and the Association shall establish, within two (2) weeks of the President's report, an independent financial commission of three (3) members, of which the Chairperson shall be from outside the York University community. In the event that the parties cannot agree upon three (3) persons to serve on the commission, each party shall name one member, and the two (2) so named shall choose a third, from outside the York University community, who shall serve as Chairperson of the commission.
- 24.06 Within two (2) weeks of its establishment, the commission shall hold its first meeting to consider the extent to which the University's financial situation requires or will require the lay-off of employees. The commission shall complete its deliberations and report its findings to the Board of Governors within ninety (90) days of its first meeting.
- 24.07 The commission shall have access to any and all financial data deemed by it to be relevant to its study, and shall have the power to call for submissions from any individuals or groups it chooses.
- 24.08 The commission shall invite and consider submissions on the University's financial situation and possible remedies therefore from the President, the Senate, and the Association. It shall consider, *inter alia*:
- (a) whether all reasonable reductions have been made in areas of the University's expenditures other than bargaining unit salaries, bearing in mind the primacy of the University's academic purpose;
 - (b) whether maximum appropriate advantage has been taken of the reduction of salary commitments through normal attrition;
 - (c) whether appropriate means of increasing University revenue have been adequately explored;
 - (d) whether interim deficit-financing is a realistic avenue for the solution of the financial problems;
 - (e) whether every effort has been made to secure further assistance from the Provincial Government;
 - (f) any other matter it deems relevant to its study of the University's financial circumstances.
- 24.09 The commission shall report to the Board its findings as to whether the University's financial circumstances constitute a problem sufficiently grave that the University's academic well-being will be endangered unless bargaining unit salary commitments are reduced, and, if so, shall recommend the amount of reduction in

bargaining unit salary commitments that would have to be effected for alleviation of the financial problem, if other means of alleviation cannot be found.

- 24.10 Following consideration of the commission's report, the Board of Governors may act to declare the necessity of lay-offs for reason of financial necessity, and shall indicate the amount of bargaining unit salary reduction to be achieved by lay-offs, which amount shall not be greater than an amount that would reduce the bargaining unit salaries and fringe benefits budget, as defined in Appendix B, below 39.46% of the reduced level of the University expenditures as listed in Appendix B.
- 24.11 The Board's declaration shall be made to the President, Senate, and Association. Upon receipt of the declaration, the Association and the Employer shall enter into negotiations to determine whether the lay-offs can be avoided by altering the terms and conditions of the Collective Agreement. The parties shall meet within one (1) week of the declaration of the Board, and their negotiations and ratification of any changes to the Agreement shall be concluded within thirty (30) days of the Board's declaration.

Order of Lay-off

- 24.12 The order of lay-off of employees shall be as detailed in clause 24.13, with the provision that no Faculty or the Library shall have its bargaining unit salary budget reduced by a percentage that is more than 1.25 times the percentage reduction in the University's total bargaining unit salary budget.
- A similar proviso shall apply to the bargaining unit salary budgets of Departments within Faculties and, for the term of this Agreement only, the bargaining unit salary budgets of the Alternate Stream sub-units within Departments/Faculties, where such exist.
- 24.13 The order of lay-off of employees shall be as follows:
- (a) contractually limited employees;
 - (b) probationary employees without tenure/continuing appointment;
 - (i) The order of lay-off of probationary employees without tenure/continuing appointment shall be determined in the first instance by the date of full-time appointment to York University, those most recently appointed being the first to be laid off.
 - (ii) When the date of full-time appointment to York University is the same for two (2) or more employees, the order of lay-off shall be determined by the date of first full-time academic appointment anywhere, those most recently appointed being the first to be laid off.
 - (iii) When the dates specified in (i) and (ii), above, are the same for two (2) or more employees, the order of lay-off shall be determined by the date of first degree or equivalent qualification, those with the most recent first degree or equivalent qualification being the first to be laid off.
 - (iv) When the dates specified in (i), (ii), and (iii), above, are the same for two (2) or more employees, the order of lay-off shall be determined by random selection.
 - (c) employees with tenure/continuing appointment. The order of lay-off of employees with tenure/continuing appointment shall be determined in the first instance by the date of tenure/continuing appointment at York University, those most recently granted tenure/continuing appointment being the first to be laid off. Thereafter, the order of lay-off shall be determined by the criteria and procedures specified in (b) above.
 - (d) No employee with tenure/continuing appointment over the age of fifty (50) years shall be laid off for reason of financial necessity.
- The parties agree that for purposes of calculating seniority, there shall be no difference between years of service in the bargaining unit and years of service in positions excluded from the bargaining unit, as per Appendix A, defining the bargaining unit.
- 24.14 Except as specified in clause 24.15 below, all funds available for appointments to the bargaining unit after existing commitments to employees who have not been laid off have been met shall be applied to the recall of laid-off employees until such time as all laid-off employees have been provided with an opportunity to exercise their recall rights as specified in clause 24.18.
- 24.15 The President may, at his/her discretion, recommend to the Board of Governors appointments, including new appointments, in those cases in which the bargaining unit salary budget of a unit, through means in addition to lay-off, has been reduced by more than 1.25 times the percentage reduction of the bargaining unit's salary budget specified in the Board's declaration of financial necessity. Should no laid-off employee be qualified, or should all qualified employees refuse the offer, the President may recommend a new appointment to the Board of Governors. Such appointments shall not increase the bargaining unit salary budget of the affected unit above the amount to which such budget could be reduced if the maximum reduction as specified in clause 24.12 were applied.

If the employee so chooses, the first six (6) months' salary shall be paid in a lump sum. Employees entitled to more than six (6) months' salary by virtue of their years of service shall receive the additional instalments to which they are entitled beginning in the seventh (7) month, only if they have not obtained alternative full-time employment.

A laid-off employee shall be given two (2) months in which to decide whether he/she wishes to accept the recall, and shall be entitled to a reasonable period of time to fulfil other employment commitments before resuming his/her duties.
- 24.20 A recalled employee shall return to the seniority, tenure/continuing appointment status, and rank from which he/she was laid off. Years of service toward consideration for tenure/continuing appointment and toward sabbatical leave shall be as at time of the lay-off. The salary shall be the salary at time of lay-off, increased by any applicable across-the-board or standard increments awarded during the period of lay-off.
- 24.21 For the six (6) year period during which the employee is eligible for recall, he/she shall continue to have full access to library facilities on the same basis as on-site members of the employee's Department/Faculty and the Library. In addition, Departments/Faculties and the Library shall endeavour to maintain a full range of collegial contacts with laid-off employees, and to provide them with full access to computer and laboratory facilities, so that laid-off employees may maintain their professional skills; and laid-off employees shall endeavour to make use of same in order to keep up with on-going work in their fields. An employee returning after three (3) years or more of lay-off may be required to affirm that such expertise has been maintained, and to submit documentation in support thereof.
- 24.22 Any laid-off employee and his/her spouse and/or dependants eligible for tuition waiver at the time of lay-off shall continue to be so eligible during the period of lay-off.

Memorandum of Understanding Regarding **Exceptions to the Agreement**

1. The parties agree that any member of the bargaining unit whose formal terms of appointment in respect of salary or entitlement to leave are contrary to the provisions of Articles 19, 20, or 25 shall be treated according to those terms of appointment, if the employee so desires.
2. The parties agree that the Employer may, at its discretion, award additional years accredited toward entitlement to sabbatical leave to individual employees in recognition of their service as academic-administrators in the bargaining unit, or for service to the University in non-bargaining unit capacities. In exceptional cases, an increased level of sabbatical salary support may be used as an alternative to the award of years accredited toward entitlement to sabbatical leave.
3. The parties agree that where members of the bargaining unit who have served in academic-administrative positions excluded from the unit have entered into an agreement with the Employer with respect to salaries, leaves, or special duties to be effective upon their return to the bargaining unit, the terms of any such agreement shall supersede the relevant terms of this Agreement.
4. The parties agree that the Employer may, at its discretion, make additional adjustments to the salaries of individual employees, to a cumulative total of market/anomalies increments of:
 - 2006-2007: \$367,898, plus fringe benefits
 - 2007-2008: \$367,898, plus fringe benefits
 - 2008-2009: \$367,898, plus fringe benefitsThe final number and amounts of such adjustments to individual salaries shall be reported to the Association by the Employer.

APPENDIX D

Memorandum of Understanding Regarding

Long-Term Disability Insurance

(Article 26.10)

1. With respect to the Long-Term Disability Insurance coverage specified under Article 26.09 of this Agreement, the Employer agrees, effective 1 November 1985, to maintain a nominal or “shadow” salary for employees receiving Long Term Disability benefits, and to make such additional contributions to the York Pension Plan in respect of that employee as are needed to bring the contributions to the Pension Plan to the level of the contributions required of the Employer and the employee for a salary at the level of the employee’s “shadow salary”. At retirement, Final Average Earnings shall be based upon the annual “shadow” salaries thus established, and the employee shall be credited for Pension Plan purposes with a full year of service for each year for which Pension Plan contributions are made on the basis of this full “shadow” salary.
Should these provisions require amendment of the York Pension Plan, the Administration agrees to recommend to the Board of Governors that the necessary amendments be made and submitted as required to the appropriate regulatory agencies for approval.
2. An employee receiving Disability benefits under the terms of the Long-term Disability Salary Continuance Insurance Plan, whose disability payments will end at age 65, shall be paid a monthly payment by the Employer equal to the amount of his/her monthly payment from the LTDSCIP at the time of its termination, for that period of months until he/she reaches normal pensionable age and becomes eligible to receive a pension from the York Pension Plan.
3. In paragraph (1) above, “shadow” or “nominal” salary shall mean the academic base salary of the employee at the time of proceeding to Long-Term Disability, increased annually in accordance with any base adjustments, Career Progress Increments, or other across-the-board increments agreed upon between the Employer and the Association in their periodic contract negotiations, to a maximum of the increase in the Consumer Price Index, calculated as provided by the Pension Plan for the contract period in question. The maintenance of a “shadow” salary in this manner shall be solely for the purposes of pension calculation for persons who spend periods of time receiving payments from the Long-Term Disability coverage, and carries no implication for those other clauses of the Collective Agreement which deal with the matter of determining academic base salary for individuals on various other kinds of leaves.

APPENDIX E

Pay Equity

(Article 25.13)

Faculty Pay Equity

For active women faculty employees as of 1 July 2000 and who were also active women faculty as of 1 July 1995, the parties agree to distribute \$450,000 in base monies for faculty pay equity adjustments as per 25.13(a) pursuant to the following method:

(a) Identify women eligible for compensation as those whose pay, on 1 July 1995 was:

(i) \$2,500 or more below the male line, regressing pay only on years since first full-time teaching appointment and a variable to identify Alternate Stream faculty; or

(ii) \$2,500 or more below the male line, regressing pay only on age and a variable to identify Alternate Stream faculty; or

(iii) \$2,500 below the male line, when relevant previous experience is credited.

(b) To identify women who would be eligible in (a)(iii) above, information on potentially relevant previous experience has been obtained by means of telephone interviews conducted under contract by the Institute for Social Research, as included in the agreed-upon questionnaire, including:

(i) part- or full-time teaching in educational institutions of various levels. Only for members of the Faculty of Education will elementary and high school teaching be considered relevant;

(ii) research work;

(iii) employment in business or profession;

(iv) professional creative activity;

(v) other work experience relevant to the present academic position.

Different information will be collected for: faculty with a graduate degree; faculty with an undergraduate degree but no graduate degree; and faculty without a university degree. The parties have agreed on what constitutes relevant experience in the above.

(c) In allocating this fund of \$450,000 referred to in Article 25.13(a), the parties affirm the principle that the proportion of the anomaly to be compensated will increase for larger anomalies.

Librarian Pay Equity

The parties hereby agree as per 25.13(b) to the following:

(a) An adjustment to base to straighten the line to 87% of the faculty line. Such adjustments were retroactive to January 1990. Pensions and early retirement sums for librarians who retired between January 1990 and 14 December 1995 were adjusted to reflect an appropriate increase. Pro-rated adjustments were paid to librarians who had not been members of the bargaining unit continuously since January 1990.

Salaries for professional librarians in the bargaining unit were reviewed and readjusted as required after the faculty pay equity adjustments were made.

(b) Librarians who are currently in the bargaining unit and who have one or more graduate degree(s) if additional to professional librarian degree, received a \$1,000 base adjustment. These base adjustments were applied after adjustments in (a) were made.

After these adjustments were applied, Librarians whose salaries remained below 85% of the faculty pay line received a base adjustment to raise their salaries to 85% of the faculty pay line. The base adjustments in (b) were effective 1 January 1996.

APPENDIX L

Research Development Fellowship Programme

(Article 19.33)

The current terms and conditions respecting the Research Development Fellowship Programme as per 19.33 are as set forth hereunder and form part of this Agreement.

Although it is clearly intended that a full-time faculty member's responsibilities in teaching, service to the University and research/scholarly/creative/professional contributions and a professional librarian's professional responsibilities, service to the University, and research/scholarly/professional contributions be complementary, it is sometimes the case that excessive commitments in teaching or professional responsibilities and/or service can be detrimental to progress in another area. In recognition of this fact, as well as of the impact of other factors such as illness can have on an individual's attempts to complete a project, the Administration shall offer, on a competitive basis, up to five (5) Research Development Fellowships from a fund consisting of the equivalent of fifteen (15) Course Directorships in monies available to be awarded in each year of the Agreement. The academic unit or library branch shall be entitled to receive replacement costs for the employee. Such fellowships are intended to provide a participant with a period of time during which his/her teaching or professional responsibilities and service commitments are reduced or eliminated, thereby enabling the individual to devote more time and energy to a particular project.

1. Eligibility

The Research Development Fellowship Programme is open to tenured faculty and librarians with continuing appointments with at least five years full-time service at York. In keeping with the expressed intent of the Programme, priority will be given to those nominations demonstrating that heavy teaching or professional responsibilities and/or service to the academic community or other relevant factors have delayed the completion of a project. Successful candidates shall not have been on leave in the year immediately preceding the fellowship year and so as not to unduly disrupt the scheduling of a department's/unit's teaching or the scheduling of professional responsibilities in the Library may be unable to take leave in the year immediately following the fellowship year.

2. Application Process

Eligible faculty/librarians should complete the application agreed upon by the parties and forward it to: Research Development Fund Secretary, Health, Nursing & Environmental Studies Building, Room 261. Each application shall include the following:

- (a) a clear statement as to whether the applicant is applying to take the fellowship year as a full course load reduction or full leave from professional responsibilities, or on a reduced-load basis (one or two course load reduction, reduced professional responsibilities); such a statement to include a rationale supporting his/her preference;
- (b) a description of the project in progress which the individual wishes to complete;
- (c) an explanation of the scholarly/creative/professional significance of the project;
- (d) the proposed methodology to be employed in completing the project;
- (e) a schedule for the completion of the project;
- (f) an up-dated *curriculum vitae*;
- (g) an assessment of the project from a referee familiar with the applicant's work and area of research;
- (h) a letter of support from someone familiar with the service/teaching/professional responsibilities or other factors that have blocked progress of the project.

3. The replacement of Fellows will be supported on the basis of part-time rates in accord with the following formula: 75 per cent of replacement teaching costs to be paid from the Research Development Fund, and 25 per cent to be covered by the Faculty of the recipient or the Library, whichever is appropriate.

4. Selection Process

The Research Development Fellowship Joint Committee will select, on the basis of all the information at its disposal, up to ten successful applicants. Written notification of selection will be provided to each nominated applicant and, where requested in writing by an unsuccessful candidate, the Committee will provide a brief written statement of the reasons for its decision. Notification of the Committee's award decisions will be mailed no later than 15 January.

5. Any course directorship monies that are allocated for a given competition but are unspent will be carried forward to the next year's competition.

6. Terms and Conditions of the Fellowships

- (a) The fellowship year will be taken either as a full teaching load reduction or a full leave from professional responsibilities or on a reduced-load basis (one or two courses reduction, reduced professional responsibilities); which option is selected will depend upon the preference of the successful candidate, the nature of his/her project and the needs of the relevant Faculty/Department.
 - (b) Regardless of which option is selected, participants will receive 100 per cent of their regular base salary during the “fellowship year”. The “fellowship year” will count as a year of service.
 - (c) A Research Development Fellowship may be deferred for up to a maximum of 12 months in the event that the Fellowship recipient accepts an extension of an administrative appointment or agrees to an interim administrative appointment which precludes taking up the award.
 - (d) Projects involving human participants must receive approval from the Human Participants Review committee before they can proceed. Projects involving animals must be approved by the Animal Care Committee before they can proceed.
7. If the full teaching load reduction or full leave from professional responsibilities option is agreed upon the participant will receive the fellowship year in addition to his/her normal sabbatical. In the interests of not unduly disrupting the department's/unit's scheduling of courses or the Library's scheduling of professional responsibilities, if scheduled for the year immediately following the fellowship the normal sabbatical may be delayed by one year.
8. The Research Development Fellowship Programme has been initiated to provide opportunities to employees who have been unable as a result of excessive teaching or professional responsibilities, service commitments and/or other relevant factors to complete a particular project in the third area of their responsibilities – research/creative/scholarly/professional activities. To facilitate a participant's completion of such project, the Administration is providing 100 per cent base salary support, a release from service commitments and is agreeing to teaching load reductions or reductions in professional responsibilities. Consequently, and subject to the terms of the Collective Agreement, it will not normally be expected that a participant will engage in overload teaching or committee work during the fellowship year. In keeping with the purpose of the fellowship year – to complete a stalled project – and in accord with the provisions of the Collective Agreement, in particular Article 18.04, outside activities should not interfere with the participant's progress or should be correspondingly reduced.
9. A participant in the Programme has one calendar year from the date of completion of his/her fellowship year within which to report to the Dean/Principal/University Librarian with a copy to the Associate Vice President (Research) on his/her activities during the fellowship year and the status of his/her project as a result of his/her participation in the Programme.

As in the case with other University Fellowship Programmes, the recommendations, nominations and decisions made pursuant to the terms of the Research Development Fellowship Programme are not subject to the grievance/arbitration procedures of the Collective Agreement. Disputes respecting recommendations, nominations and decisions made pursuant to the terms of the Research Development Fellowship Programme shall be submitted to the Appeals Committee established for this purpose.

10. Appeals Procedure

- (a) An Appeals Committee of five members shall be constituted to hear appeals by applicants who have not been awarded a Research Development Fellowship. Only applicants who have been denied a Research Development Fellowship outright shall be entitled to appeal. Applicants awarded less “time-off” than requested shall not be eligible to appeal.
- (b) All appeals to the Appeals Committee shall be made within 14 days of receipt of written notification of the Research Development Fellowship Joint Committee's decision on awards. Appellants shall submit the reasons for their appeal and arguments supporting their case in writing and may cite, as part of their appeal, alleged procedural irregularities and/or perceived academic misjudgements. Appeals shall be sent to the Appeals Committee via the Secretary of the Research Development Fellowship Fund (Health, Nursing & Environmental Studies Building), Room 261. Appellants shall have the right to appear before the Appeals Committee.
- (c) Upon receiving an appeal, the Parties to the Agreement shall then proceed to select from a previously agreed upon pool of ten a panel of 5 Appeal Committee members. In the event that the Parties are unable or fail to select the five members of the Appeals Committee within 7 days of YUFA's receipt of the notice of Appeal, the Secretary of the Research Development Fellowship Fund shall inform the co-Chairs of the Joint Grievance Committee, one of whom shall select the members.
- (d) The Appeals Committee once selected shall set the appeals process in motion.
- (e) The Appeals Committee shall select its own Chairperson from among its members and a member to serve as secretary, who will keep appropriate minutes.

- (f) The Appeals Committee shall meet within 21 days of the date of the closing of appeals to hear those appeals submitted to it. The Committee shall complete its work within 14 days of its first meeting to hear appeals and shall communicate its decision within 48 hours to the appellants.
- (g) If not available from the current year's allocation, release time awarded to successful appellants will be taken from the release time allocation for the following year's competition.
- (h) All files submitted to the original RDF Joint Committee shall be made available to the Appeals Committee to enable appropriate comparisons to be made.
- (i) All material from the Appeals Committee shall be deposited with the Secretary of the Research Development Fellowship Fund after the appeals process has been completed.
- (j) Decisions of the Appeals Committee are final and binding on all concerned including the Parties to the Agreement.

APPENDIX M

Merit Procedures

1. (a) The Employer shall establish a merit pool consisting of a total of 325 merit awards, 250 of which will be \$2,000, and 75 of which will be \$3,000 for the period 1 May 2006 to 30 April 2007, 1 May 2007 to 30 April 2008 and 1 May 2008 to 30 April 2009.

(b) The above-noted awards shall be allocated to Faculties/University Library on the basis of the Faculty's/Library's proportion of bargaining unit members as of 1 May 2006, 1 May 2007, and 1 May 2008. Eligible employees shall be those who are members of the bargaining unit on 1 September 2005 and expected to continue to be members on 1 July 2006, and 1 September 2006 and expected to continue to be members on 1 July 2007, and 1 September 2007 and expected to continue to be members on 1 July 2008. Merit awards shall be paid as a lump sum, less deductions required by law, and will not be incorporated into the base salaries of those employees who receive them.

2. Merit awards shall be used to reward meritorious accomplishment in the previous one (1) year (i.e., previous 1 July to 30 June), and shall be based upon:

(a) in the Professorial stream an evaluation of each employee's research/scholarly/creative/professional contributions, teaching, and service to the University and professionally related community service;

(b) in the Alternate stream, normally an evaluation of each employee's teaching and service to the University and professionally related community service unless the employee opts by 15 October 2006, 15 October 2007, or 15 October 2008 in writing to the Dean/Principal/University Librarian of the unit to have his/her research/scholarly/creative/professional accomplishments included in the evaluation;

(c) for Professional Librarians, an evaluation of the employee's professional performance, contributions to librarianship and scholarship, and service to the University.

3. Evaluations shall be based upon summary information and up-to-date *c.v.s* to be provided by the employee to Dean/Principal/University Librarian by 15 October 2006, 15 October 2007, and 15 October 2008. Eligible employees may also be nominated by others with the approval of the eligible employee and the provision by the nominated employee of summary information and an up-to-date *c.v.* to the Dean/Principal/University Librarian by 15 October 2006, 15 October 2007, and 15 October 2008. An employee who fails to provide such information and *c.v.* shall not be evaluated for merit.

4. (a) By 1 November 2006, 1 November 2007, and 1 November 2008 the Employer shall provide to YUFA, and to each Faculty, a list of those eligible to be considered for merit and the total number of merit awards available for distribution in the Faculty.

(b) Employees on sabbatical or other leave are entitled to be considered for merit. No such employee shall be denied a merit award on the grounds that he/she is on such leave. In order to be evaluated, such employee shall comply with the provisions of paragraph (3) above.

(c) Eligible employees who are cross appointed to more than one department in the same Faculty shall elect a unit for purposes of consideration for a merit award, and shall do so to the Chairs involved by 15 October 2006 and 15 October 2007 and 15 October 2008.

(d) Eligible employees who are jointly appointed between Faculties shall be eligible for consideration in each Faculty. Merit evaluation files of employees recommended for a merit award shall be forwarded by the respective Dean to the Vice-President (Academic) who will make decisions regarding merit awards for such jointly appointed employees.

5. Each Faculty and the University Library shall have one (1) or more elected committees which shall make recommendations to the Dean/Principal/University Librarian on the distribution of merit awards. Along with their recommendations, committees shall indicate in an aggregated manner the total number of recommendations which were based on (i) professional contribution and standing, (ii) teaching, (iii) service and (iv) the various possible combinations of the three (3) areas of professional responsibility. Aggregate information will similarly be provided to the Association with the list of award recipients. The Dean/Principal/University Librarian of the unit will be responsible for decisions on distribution of merit awards from among employees who comply with the provisions of paragraph (3) above.

6. Criteria and procedures to be used in respect of the distribution of merit awards shall:

(a) ensure that no achievement during the period under assessment in any of the areas of performance being evaluated is excluded from consideration for a merit award;

(b) allow for accomplishments by employees who were, during the period being assessed, particularly strong in any area(s) of activity, or equally strong in all areas of activity under consideration;

(c) be applied in the evaluation of all employees eligible to be considered for merit in the unit;

(d) Faculty committees or the University Library Committee may identify standards consistent with paragraphs 2(a),(b), and (c) and 6(a), (b), and (c) above in respect of merit awards in the relevant faculty or the University Library and

refer to these standards in the Committees' recommendation to the Dean/Principal/University Librarian on the distribution of merit awards.

7. On or before 15 November each Dean/Principal/University Librarian shall forward to the Vice-President (Academic) a summary of his or her merit award decisions.

8. Merit evaluation files shall not be used for any purpose other than evaluation of an employee for merit.

9. Upon completion of the merit exercise, all employees and the Association shall be provided with a list of those who received merit awards by Faculty.

10. Decisions concerning merit awards will be subject to the grievance and arbitration procedure of the Collective Agreement only to the extent of allegations that a decision concerning merit was discriminatory as defined in Article 3 of the Collective Agreement, or made in a manner contrary to the procedures set out herein. However, in no case shall an arbitrator have the jurisdiction to make a merit award.

APPENDIX Q

Letter of Intent

Procedure For Dealing With Complaints of Harassment or Discrimination

This letter of intent, which incorporates many of the elements of the “Draft Procedure for Dealing with Complaints of Harassment and Discrimination by University Employees”, now stands as the Procedure for Dealing With Complaints of Harassment or Discrimination with respect to YUFA bargaining unit employees. Where the procedures described in this letter of intent differ from those procedures, the procedures in this letter of intent shall apply to YUFA bargaining unit employees.

The parties agree that all members of the YUFA bargaining unit, whether a Complainant or a Respondent, shall be subject to the following procedures. The parties further agree that they will jointly endeavour to have other bargaining agents representing employees of the University agree that employees covered by other Collective Agreements will also be subject to these procedures:

- (1) These procedures are not intended to extinguish rights and remedies available at law to any of the parties or persons concerned.
- (2) In order to help facilitate the informal resolution of harassment or discrimination issues and treat Complainants and Respondents fairly, reasonable steps will be taken throughout these procedures so that only those who need to be made aware of a complaint in order to administer or participate in these procedures are provided with information about a complaint. Further, all memoranda and reports made in the course of action taken pursuant to these procedures shall be considered to be confidential to the parties involved and to those who, in providing advice and carrying out duties contemplated in these procedures, have a need to know of their existence and content.
- (3) The Complainant (and the Respondent, where appropriate) shall be informed by the Centre that an advocate of their choice may accompany them throughout the process described below.
- (4) An individual who believes she/he is being harassed or discriminated against on a prohibited ground set out in the Collective Agreement shall discuss the incident(s) with the Centre for Human Rights (the “Centre”). Managerial/supervisory employees who receive a complaint about harassment or discrimination by an individual on a prohibited ground set out in the Collective Agreement will provide that person with a copy of these procedures and assist that person in making an appointment to discuss the incident(s) with the appropriate complaint centre. Managerial/supervisory employees who receive a complaint shall prepare a brief written memorandum to the Centre setting out the date and time the complainant first contacted them, and confirming that they gave the complainant a copy of these procedures and assisted the Complainant in making an appointment with the Centre and will forward this Memorandum to the Centre. Managerial/supervisory employees shall not keep copies of such memoranda.
- (5) Normally, within ten (10) working days following this discussion the Centre shall make a preliminary determination as to whether the complaint is one which:
 - (a) is one which is more appropriately dealt with in another forum; or
 - (b) is based on facts which have occurred more than six (6) months prior to the date of the lodging of the Complaint; or
 - (c) is one which might be resolved informally; or
 - (d) is one which might be resolved by mediation; or
 - (e) is one which might not be resolved informally or by mediation and requires a formal complaint and investigation; or
 - (f) is trivial, frivolous, vexatious or made in bad faith.
- (6) Where it appears to the Centre that the facts upon which the Complaint is based occurred more than six (6) months before the Complaint is made, unless the Centre is satisfied that the delay was incurred in good faith, the Centre may recommend that the University not deal with the Complaint.
- (7) If, in the opinion of the Centre, the Complaint is trivial, frivolous, vexatious or made in bad faith, it will so advise the Complainant and may decline to assist the Complainant further.
- (8) **Informal resolution**

(a) If the matter is one which, in the opinion of the Centre and the Complainant, might be resolved informally, the Centre will use its reasonable efforts to assist the parties involved in effecting an informal resolution which, if achieved, will be the end of the process. The parties to any such resolution may include the Respondent and (where required or desirable), representatives of the union(s) of which each of the Complainant and Respondent are members and the University represented by a manager.

(b) Advice given to a Complainant concerning informal resolution will be reflected in a memorandum prepared by the Centre and acknowledged by the Complainant. If the Complainant names the Respondent and the Respondent is named in the memorandum, the Respondent must be notified.

(c) At any point in the process, either party may request mediation or a formal investigation.

(9) Mediation

(a) If the matter is one which, in the opinion of the Centre, the Complainant and the Respondent might be resolved by mediation, the parties will be referred to mediation. Within ten (10) working days of such referral, a mediator will be appointed from among a panel of internal mediators agreed upon by the Employer and the Association. Within ten (10) working days the mediator will then coordinate a meeting between the mediator and the parties involved.

(b) The parties to any such mediation will include the Complainant and Respondent, representatives of the union(s) of which each of the Complainant and Respondent are members, the University (represented by the manager(s) of the area(s) in which each of the Complainant and Respondent are employed) and a representative of any other department that will be affected by the result of the mediation.

(c) The outcome of the mediation will result in one of the following:

(i) No resolution is reached and the Complainant decides to withdraw the allegation and take no further action.

(ii) A resolution is reached, written up and signed by all parties to the mediation. The Centre and each of the parties to the mediation shall receive a copy.

(iii) No resolution is reached and the Complainant requests that the matter proceed to the Formal Complaint and Investigation stage.

(10) Formal Complaint and Investigation

(a) If a matter is one which, in the opinion of the Centre, could not be appropriately dealt with by informal resolution or mediation, or has not been resolved by either informal resolution or mediation within a reasonable time, the Centre will upon request assist the Complainant in preparing a formal complaint. A formal complaint will be in writing and signed by the Complainant, and, where appropriate, includes a Complaint contained in a grievance under a Collective Agreement.

(b) A copy of the formal complaint will be forwarded to the Respondent and to the Dean/Principal/University Librarian/Vice-President in whose area the Respondent is employed and if the Complainant is an employee, to the Dean/Principal/University Librarian/Vice-President in whose area the Complainant is employed.

(c) The Respondent may submit a written response to the formal complaint to the appropriate Dean/Principal/University Librarian/Vice-President within ten (10) working days of receiving a copy of the formal complaint.

(d) Within fifteen (15) working days of receiving a Formal Complaint and the Response, if any, the Dean/Principal/University Librarian/Vice-President shall determine whether a formal investigation is warranted, and if so will appoint an investigator from a list of internal investigators agreed to by the Employer and the Association to look into and report on the facts surrounding the Formal Complaint. The investigator shall promptly conduct an investigation of the allegations giving rise to the Complaint and compile a draft investigation report (normally within thirty (30) working days).

(e) Upon receiving a Formal Complaint against an employee in his/her area the Dean/Principal/University Librarian/Vice-President will (in consultation with employee and/or Academic Employee Relations, or with other University officials as appropriate) make a decision as to what remedial action, if any, should take place in the workplace while the investigation is taking place.

(f) The investigator shall provide a copy of the draft investigation report to each of the Complainant and the Respondent, who shall have ten (10) working days in which to notify the investigator, in writing, of any errors or omissions in the report and the description of the facts or allegations provided by each of them to the investigator.

(g) The investigator shall forthwith after receiving any comment provided for above make such further enquiries, if any, as are necessary and prepare a final Investigation Report. A copy of the Investigation Report will be given to the Centre, the Complainant, the Respondent, representatives of the union(s) of which each of the Complainant and Respondent are members, and the University.

(11) Administrative Action

- (a) Within twenty (20) working days of the receipt of the Investigation Report, the President or Dean/Principal/University Librarian/Vice-President in whose area the Respondent is employed shall consult as appropriate and make a decision or give directions on:
 - (i) what remedial action, if any, shall be taken or continued in the Respondent's workplace in the circumstances;
 - (ii) whether the facts as revealed in the Investigation Report are such that some managerial action is warranted in the circumstances, and if so what managerial action (including the disposition of a grievance, disciplinary action or discharge) is so warranted.
- (b) A copy of the decision shall be sent to the Centre and to each of the Complainant and the Respondent, and representatives of the union(s) of which each of the Complainant and Respondent are members.

(12) Reprisal

No person shall be penalized in employment for bringing forward a Complaint in good faith, or for co-operating in the resolution or investigation of any Complaint.

(13) Penalties for Vexatious or Bad Faith Complaints

Individuals who make a Complaint against another person in bad faith or for a vexatious purpose may be subject to disciplinary action.

APPENDIX R

Letter of Understanding Regarding

Conflict of Interest

Within ninety (90) days of the ratification of this Agreement, a Task Force on Conflict of Interest shall be established as a subcommittee of JCOAA to make recommendations to the parties regarding conflict of interest. The Task Force shall report to JCOAA one (1) year prior to the expiry of the current Collective Agreement.
